QU'IL soit connu que ce 31e jour de janvier mil huit cent soixante huit et la quatre-vingt-douzième année de l'Indépendance des Etats-Unis d'Amérique, pardevant nous, EDWARD IVY, notaire public, dûment commissionné et ayant qualité, en présence des témoins ci-après nommés et dont les signatures sont ci-dessous apposées, se sont présentées les personnes ci-après nommées, qui ont signé ci-dessous lesquelles ont déclaré que, profitant des lois de la Louisiane relativement aux corporations dans cet Etat, elles sont convenues de se former et de former ceux qu'ils représentent en une corporation dans le but et sous les réglements qui suivent:

ARTICLE I.

Le nom de corporation de cette société sera la Compagnie du chemin de fer d'Orléans.

ARTICLE II.

Le siége des affaires et le domicile légal de cette corporation seront à la Nouvelle-Orléans.

ARTICLE III.

Le but de cette Société est de construire et de maintenir en ville des chemins de fer convenables pour le transport des passagers et, en général, d'exercer les pouvoirs et priviléges dont elle pourrait être ou est par les présentes, revêtue à l'effet de la mettre à même de construire et d'exploiter des chemins de fer.

ARTICLE IV.

Le capital de cette corporation est, par les présentes fixé à trois cent mille ($300,000) piastres représentées par trois mille actions de cent piastres. Il devra être payé cinq pour cent sur chaque souscription, à la signature de ces articles; le reste sera payé à l'époque et en tels montants et versements qu'ordonnera la Direction, pourvu qu'il ne soit pas exigé plus de dix (10) pour cent de la dite souscription et que l'appel de fonds ne sera pas fait plus souvent qu'il ne faut dans les trente jours. Si un souscripteur refusait ou négligeait d'effectuer ses paiements ponctuellement à échéance, il pourra être ajouté à la somme due un intérêt de huit pour cent l'an, de l'échéance à parfait paiement; et si un souscripteur refusait ou négligeait d'effectuer soit un des versements dans les trente jours qui suivront l'époque fixée pour le paiement, les Directeurs se réserveront le droit de vendre, à l'enchère publique ou autrement, après dix jours d'avis au dit souscripteur l'action ou les actions sur lesquelles le montant est dû.

Toutes les actions qui n'auront pas été prises à l'expiration de cet avis pourront être vendues par les Directeurs au profit de la société, mais ces actions ne devront pas être vendues au-dessous du pair.

Postal Information.

TO THE BRITISH NORTH AMERICAN PROVINCES

Cape Breton, Prince Edward's Island and Nova Scotia. To Newfoundland prepayment required. To Canada and New Brunswick, 10c. per ½ oz., any distance.	*10 cents when not over 3,000 miles from the line of crossing. *15 cents when distance exceeds 3000 miles. Prepayment optional

Steamers of the Cunard line sail from Boston twice each month, touching at Halifax, and when letters are sent by that conveyance for Nova Scotia, Newfoundland, Cape Breton and Prince Edward's Island, the U. S. postage is 5 cents the single rate, to be pre-paid. The inland rate is collected on delivery. On newspapers by this route, the postage is two cents each.

RULES FOR RATING LETTERS, &C.

1. *In the United States and British Mails.*—Letters exchanged with the United Kingdom of Great Britain and Ireland, or addressed to British Colonies and foreign countries, for transmission in the open mail via England, are charged with United States and British postage, at a single rate for each half ounce or fraction thereof, the same as domestic letters.

In the case of letters to be forwarded in the British mail for transmission from England "via Marseilles," the French postage is rated at 6 cents the quarter ounce, except on letters for Java, China, Labuan, Borneo, Japan, the Moluccas and Philippine Islands, which are rated at 8 cents per half ounce; except, also, on letters for Syria and Tunis, by French packet, when the single French rate is 12 cents per quarter ounce.

2. *In the United States and French Mails.*—Letters in the mail to France are to be charged with single rate of postage, if not exceeding the weight of one quarter ounce; double rate if exceeding a quarter, but not exceeding half an ounce, and so on, an additional rate being charged for each quarter ounce, or fractional part of a quarter ounce.

The rates by "French mail" are in full to destination, except the following places, on: Aden, Batavia, Ceylon, China, cities of Turkey in Europe, except as herein mentioned, viz: Austria, countries to which correspondence can be sent via Suez, countries beyond seas via France, others than those enumerated, East Indies, Gibraltar, Hong Kong, Java, Mauritius, Montenegro, Penang, Portugal, Isle of Re Union, Servia, (except Belgrade,) Shanghai, Singapore and Spain. The limit of payment to Spain, Portugal and Gibraltar, is Behobia; to Servia (except Belgrade,) Montenegro, and cities of Turkey in Europe, except as herein mentioned, "via Austria," the frontier of Turkey and Austria; to Aden, East Indies, Ceylon, China, and other countries via Suez, the seaports of the Indies, or of the sea of China to which the English packets ply; and to places beyond seas, or other than those designated the limit is the port of arrival in the country of destination.

3. *In the Mails to Prussia, or to Belgium.*—Letters to the United States and Prussian closed mails, and in the mails exchanged with Belgium are charged with single rate of postage if not exceeding half an ounce in weight; double rate if exceeding half an ounce, but not exceeding an ounce; quadruple rate if exceeding an ounce, but not exceeding two ounces; and so on, for greater weights, charging two rates for every ounce or fractional part of an ounce over the first ounce. As this scale of progression differs from that followed in respect to domestic letters, great care is required to prevent mistakes.

4. *In the Mails to Bremen, or to Hamburg, &c.* Letters addressed to the German States, &c., when sent via Bremen or Hamburg, and letters addressed to the British North American Provinces, are rated in the same manner as domestic letters, one rate being charged for each half ounce or fractional part of half an ounce.

General Directions.—Postmasters should be careful where the postage is prepaid; to collect the proper amount. They should be particular to notice the route indicated on the envelopes of letters, and to collect postage accordingly. Letters mailed at some offices, marked "via England," or "via Prussian Closed Mail," for a German State, are frequently taken upon the prepayment of Bremen rates, and those marked "via Bremen," at Prussian closed rates, &c.

Postages to Foreign Ports.

☞ The Asterisk (*) indicates that in cases where it is prefixed, unless the letter be registered, prepayment is optional; in all other cases prepayment is required.

Routes of Transmission, Etc.

To prevent mistakes at the exchange offices, it is desirable that the particular routes by which letters are to be forwarded from the United States to Europe, should be distinctly written on the covers. Letters intended for transmission in the open mail to England, should bear the direction, "open mail via England;" if for transmission in the French mail, they should be directed, "via France in the French mail;" if for transmission by closed mail to Prussia, they should be directed, "via Prussian closed mail;" if for transmission in the closed mail to Belgium, they should be directed, "via Belgian closed mail;" and if for transmission by the New York and Bremen line to Bremen, or by the New York and Hamburg line to Hamburg, they should be directed, "via Bremen," or "via Hamburg."

It is important that letters addressed to Germany and other European countries, via France, where the single rate per quarter ounce is 21 cents, should be plainly marked to be sent via France; otherwise they may be missent in the open mail to Liverpool by United States packet, the 21 cent rate per half ounce being also chargeable on letters thus forwarded.
