DR. ROBACK'S

Blood Purifier and Blood Pills.

DISEASE VANQUISHED

By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of the native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, consumption in its early stages, sore throat, bronchitis, hoarseness, ague, asthma, low spirits, sexual debility, feminine weakness, pricking pains, suppressed or painful menstruation, rheumatism, gravel, tumor, cancer, diabetes, lassitude and debility, diarrhœa, and all disorders of the organs of respiration, of the kidneys, the stomach, the nerves, or the mucous fibre, are unerringly cured by the preparations. It is to the nervous system, or nervous fluid, or what is alkali is to acid, that the remedies owe their wonderful efficacy, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews vitality, and invigorates every animal function of the nature, and the high reputation of Dr. Roback's Scandinavian Blood Purifier, which, if taken in combination with his Blood Pills, will not only eradicate the most inveterate disease, but prevent their recurrence, and lengthen life beyond its ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years which defied every agent of Old World Medicine, which follows, and must forever banish all doubts respecting the efficacy of Dr. Roback's Scandinavian Blood Purifier and Blood Pills.

Dr. C. W. ROBACK, Sir:—I feel it my duty to make some public use of the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven and eight years. We tried all kinds of medicine, but to no effect. At last it struck all through her system, so that she could not rest day or night, her pain was so severe at times that she had hard work to live, after all the best advice of the most learned physicians who thought it of no use to make a cure. Seeing there was no hope, I made my earnest prayer that God in his wisdom would direct me to some remedy that would restore her to health and. When I received an act of Providence in answer to my prayer, that a man in my neighborhood had received your medical assistance, and, from the wonderful cures made by your Scandinavian Blood Purifier and Pills, I thought it my duty to try them. I procured them for my wife, and, to our great joy, before she had taken a dozen pills she began to grow better, and is now able to do her own work. She is now 72 years old, and has been of health on her check, all the effects of her disease have left her, and she is in the best of health for a woman of her age.

DR HOOFLAND'S CELEBRATED

GERMAN BITTERS,

PREPARED BY

Dr. C. M. JACKSON, Philad'a, Pa.,

WILL EFFECTUALLY CURE

LIVER COMPLAINT, DYSPEPSIA,

Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Costiveness, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Sight, Dots or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation has spread and prevailed by any similar preparations extant. The testimony in its favor, given by the most prominent and well known Physicians and Clergymen in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of the agents, cannot but satisfy the most skeptical that the remedy is really deserving the great celebrity it has obtained.

Principal office and manufactory No. 96 ARCH Street, Philadelphia, Pa.

MAGNETISM.

MME ALLIARD,

FRENCH SOMNAMBULIST,

No. 231, *Bourbon Street, Between Ursulines and Conti.*

TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and especially of complicated and long standing affections.

M'me Alliard, for many years under the direction of Mr. Fonvielle, Paris, may be consulted at her residence and calls to attend to whatever diseases vices are required.

The distinct application of magnetism by Mr. Alliard, assisted by Mme Alliard, has been followed by numerous cures; the fact is unquestionable. Out of a thousand persons who have consulted Mr. Alliard, at least are almost instantly cured by the extraordinary transcendent influence which he exerts, and cannot be refuse to avail themselves of M'me Alliard's services.

The New Orleans Press have often recorded the cures of remarkable character, many years standing, the "Louisiana Courier," the "Daily Crescent," the "Delta," "True Delta," "National" and "Bee," published in 1848 and 1849, testify to the fact, and the most highly respectable persons, whose testimony cannot be doubted, including their Yourself, thanks to M'me Alliard, and fully acknowledging her wonderful success.

The same papers also spoke very highly of the surprising magnetic experiments by M'me Alliard, and the exercise of her talents were published in the Courier of December 17th, 1845; the Delta of May 1st, 1846, and the Crescent of May 20th, 1846.

It is to be regretted that all the cures effected by M'me Alliard cannot here be stated, but the nature of certain diseases renders the course necessary. The fact, however, is not to be denied that all the cures effected by M'me Alliard have been permanent.

A Magnetic Bath, giving such gratification as these, and has constantly been employed by persons entitled to the confidence of those whose ordinary remedies have failed to cure. Persons remaining powerless in cases of nervous diseases, which are cured by magnetism, we are sure in cases of epilepsy, hysterics, fever and ague, nervous headache, typhoid and malignant fevers, yellow fever, inflammatory rheumatism, sprains in the stomach, gastritis, gastralgy, palpitation of the heart, nervous hiccoughs, complaint, spasm, paralysis, colds, diarrhœa, costiveness, of dropsy, amaurosis, amaurosis, dumbness, of blood, giddiness, falling of the wrist, suppression of the menses, humors in the breast, constipation, pimples, ulcers, tumors, rheumatism, deafness, ophthalmy, inflammation of the eyelids, chilblains, sprains, tapeworm and other worms.

The above diseases are daily cured with the greatest ease by M'me Alliard, and the public is hereby informed that she is the only somnambulist who has not, notwithstanding the complete cessation of light.

Persons desirous of consulting the somnambulist are invited to call at the residence of M'me A., and agree on the hour for magnetic experiments. No one will be deceived.

☞ Admission, 50 cents.

☞ M'me Alliard may be consulted daily.

A CARD.

C. DUHAMEL,

OPTICIAN and MANUFACTURER, No. 30 CHARTRES street, a resident of this city for upwards of fifteen years, begs to inform his friends and the public generally, that the Optical Instruments and others, an extensive assortment of which he has constantly on hand, have so far been deserved, by a long experience in the line, the confidence of the community and of the public. The testimony of almost all the distinguished individuals and most widely-known savants in the country would be given in his favor, if called for, but he prefers stating merely the following facts:

Mr. C. DUHAMEL offers to persons in want of Spectacles, Rock Crystal, Pebble Glasses (Brazilian or sea pebbles) the kind that can be manufactured, at a price far lower than the frame. The quality of these glasses is not inferior to the Rock Crystal. Brazilian Pebbles, Arkansas Pebbles, &c., does not vary according to the common opinion, in hardness, but adhering to the purity and closeness of the same whence they are drawn—to the regularity of the curve and the finish imparted to them by the artist's skill. In this respect, Dubamel's glasses are inferior to no other glasses.

The prices are invariably as follows:

A pair of rock crystal glasses, with frame

Gold frame,	$3 to $5
Steel frame,	$4 to $
Silver frame,	$6 to $8

The glasses only, $4.

Fine ordinary spectacle glasses, $1 a pair.

Fine Periscopic glasses, concave and convex, $1 50 a pair.

A pair of steel spectacles, with fine ordinary glasses, $1 50 to 2 50 a pair, according to the quality of the frame.

A pair of gold spectacles, with fine ordinary glasses, $7 to 15.

All fancy spectacle frames are offered on very moderate terms.

Mr. D. begs leave to remark that, in his opinion, and in the opinion of many competent and experienced persons in the line, rock crystal glasses are superior in one respect only to the glasses prepared and manufactured. They are harder, and their surface remains smooth much longer, but are not better than others as far as the preservation of the sight is concerned.

Mr. D. is agent for Dembowler' Boston pegged Oxford shoes, warranted and sold cheaper than the public can buy elsewhere. Also, a large assortment of Gentlemen's Gaiters, and Boots, suitable for retailing.

Persons furnished with boots according to the measurement for gentlemen preferred.
