Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Flutterings at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying position, Dimness of Vision, Dot or webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagings of Evil and great Depression of Spirits.
The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.
It is a new and untried article, but one that has stood the test of a few years' trial before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

MAGNETISM.
M'ME ALLUARD,
FRENCH SOMNAMBULIST,
No. 331, Bourbon Street, Between Ursulines and Hospital.
TREATMENT of all kinds of chronic diseases which ordinary remedies have failed to cure, and in particular those of nervous affections.
Mme Allouard, for many years under the direction of Dr. Pompard, in France, may be consulted at her own residence, on patients who prefer her services are required.
The direct application of magnetism by Mr Allouard, assisted by Mme Allouard, has been followed by numerous cures, the fact is unquestionable. Out of a great number of cures, the following, eight hundred and four are almost instantly cured by the extraordinary somnambulist, sufferers should hasten therefore and intend to Mme Allouard's services.
The New Orleans Press have often recorded the marvelous cures of several years' standing.
The "New Orleans Courier," the "Daily Crescent," the "Delta," "True Delta," "National" and "Bee," published in 1855 and 1856, letters from well known and highly respectable persons, whose testimony cannot be doubted, tendering their heartfelt thanks to Mme Allouard, and fully acknowledging her wonderful success.
The same papers also spoke very highly of the surprising magnetic experiments by Mme Allouard, under the direction of her husband. See the *Courier* of December 11th 1852, the *Bee* of November 17th, 1854, and the *Crescent* of May 29th, 1854.
It is to be regretted that all the cures effected by Mme Allouard have not been published, but the cures of certain diseases require this course necessary. The fact, however, is now acknowledged that patients can be permanently cured by Mme Allouard.
A somnambulist offering such guarantee as these, and who has constantly been successful, is certainly entitled to the confidence of those whom ordinary remedies have failed to cure. Those remedies are powerless in cases of nervous diseases, which are cured by magnetism as are also in cases of epilepsy, hysteria, fever and ague, tumors and brain fevers, typhoid and malignant fevers, yellow fever, headaches, heartburn, cramp in the stomach, gastritis, gastralgy, palpitation of the heart, fainting, aneurysm, spleen, palpitations, colics, diarrhœas, constipations, hemorrhoids, hemorrhage, spitting of blood, deafness, failing of the senses, suppression of the menses, tumors in the breast, consumption, pulmonary catarrhs, cutaneous diseases, tetters, itch, wounds, sores, lacerations, contusions, ophthalmy, inflammation of the eyelids, dislocations, sprains, tapeworm and other worms, &c.
The above diseases are daily cured with the greatest ease by Mme Allard, and the public is informed that such a thing is not necessary that which can see, not withstanding the complete extension of light.
Persons desirous of witnessing this phenomenon are invited to call at her residence of Mme A., and agree on the time for magnetic experiments. No one will be deceived.
☞ Admittance, 50 cents.
☞ Mme Allard may be consulted daily.

Consumption Cured.
Be not deceived by base imitations. Hegeman, Clark & Co's genuine Cod Liver Oil never disappoints, and its superiority has proved it superior to all others, and has only reliable cure for consumption.
As usual it is a great deal of spurious oil in the market adulterated with seal oil, whale oil, &c., &c., too much care cannot be taken to procure the genuine.
Our oil is made of our own factory in Newfoundland, and each bottle has our signature over the cork. Be careful to get Hegeman, Clark & Co's, as thousands who had used other oil of inferior quality, have been deceived by using it, and have been restored to health by using the genuine oil of our manufacture.
