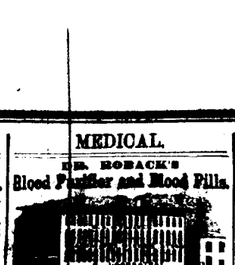
MEDICAL.

DR. HOBACK'S

Blood Purifier and Blood Pills.



DISEASE VANQUISHED

By Dr. Hoback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Hoback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of his native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fountain of life to a condition of health and purity, drives the disease from the system, whatever it may be locked, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual debility, feminine weakness, pricking of the skin, symptomatic of paralysis, rheumatism, dropsy, dysentery, cancer, diabetes, insipidus and debility, diarrhea, and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are speedily cured by this preparation. It is the natural, or, as some of disease, what an alkali is to an acid; it neutralizes those with amazing celerity, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, restores bodily vigor, and regenerates with youthful energy. Such is the nature, such are the effects of Dr. Hoback's famous medicines, called the Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirms strongly as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtue of Dr. Hoback's Scandinavian Blood Purifier and Blood Pills.

LEBANON CO., Ohio, Sept. 27th, 1856.

Dr. C. W. HOBACK—Dear Sir—I feel it my duty to acknowledge publicly the wonderful cure made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck all through her system, so that she could not rest day or night, her pains were so severe at times that she had hardly to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill when there was no hope. It now was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. No. 1 sent by Mr. Thacker, our superintendent, the bearer of this, and sent a bottle of Blood Purifier and one box of Pills, and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 72 years old, and has the blood of health on her cheek, all the charms of your medicine. May God bless you in this and success. Yours truly,

JEREMIAH ROWAN.

When it appeared, like an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. No. 1 sent by Mr. Thacker, our superintendent, the bearer of this, and sent a bottle of Blood Purifier and one box of Pills, and, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She is now 72 years old, and has the blood of health on her cheek, all the charms of your medicine. May God bless you in this and success. Yours truly,

JEREMIAH ROWAN.
