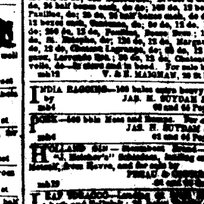
GRINDLE'S ANCIENT AND CELEBRATED



JAPANESE LIFE PILLS.

NATURE'S OWN REMEDY.

A Positive Cure for Liver Complaint and Bilious Disorders, Dyspepsia, Rheumatism, Scrofula, Costiveness, Dropsy, Fever and Ague, Costiveness, Dysentery, Female Disorders, Worms, Suppression of the Menses, Nervous Debility, &c.

A long time we have been compelled to witness with painful emotion the many adulterated and life-destroying drugs made into pills and liquid medicines, and patents using them without knowing their injurious effects upon their systems. This monstrous evil may now be entirely escaped by using only these ANCIENT JAPANESE LIFE PILLS and our Magic Cancrozol. For many years we have studied hard to find a cathartic which, while it purged, would throw out Mercury, and leave nothing behind alone; would remove and strengthen, and be delight ful and soothe the system.

We now unhesitatingly say that this so much sought for remedy—a cathartic of mild and pleasant operation, entirely free from Mercury, and yet more searching, thoroughly purifying the blood, and remarkably strengthening the system—has been found. The best of all cathartics, it speedily cures every disease for which they are recommended. These Pills have stood the test of the ingenious Japanese Faculty for centuries, and the same kind of ingredients that composed the pills at that around time are continued to the present day.

No medicine except our Magic Cancrozol ever met with such unbounded success in so short a time, and the testimonials of cures now pouring in from all parts of the country are wonderful and astonishing! The number of these Pills being used by females alone for their various complaints constitutes in itself an immense trade. They are not the "female pills" so much puffed in the public papers, which, instead of curing, produce great and dangerous complaints, but are for the use of females, old or young, and cure by using directions.

The Pills are sent by mail, from the proprietor only, on receipt of a letter, post paid. The postage in the United States, not over 3,000 miles, is fifteen cents on five boxes, which must be inclosed in money or stamps. We are prepared to forward them small by by mail.

For sale by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH R. GRINDLE, New York, Sole Proprietor, to whom all letters must be addressed. Also, Proprietor of Dr. Wakley Grindle's Celebrated Magic Compound, the great remedy for PULMONARY CONSUMPTION.

PARISIAN

A Sovereign Remedy for the Cure of Consumption, Asthma, Catarrh, Whooping-Cough, Colds, Consumptive Cough, Inflammation of the Chest, &c.—These celebrated Pectoral Troches are now offered to the public with the lungs and on the surface of the bronchia, of a glairy, viscous, thick matter, which has appeared in the lungs after an inflammation. The tracheal artery is choked, no distention of the lungs can take place, breathing becomes impossible. Nature endeavors to get rid of this glairy humor by the act of violent coughing, and the sufferer dies by asphyxia, if the Elixir is not hastily called upon to supply the powerless efforts of nature.

Asphyxia, Paralysis.—The brain is crowded by a great humor, of blood and lymphatic vessels; it is seated with a mucous membrane, which secretes a glairy humor, in order to keep that organ in a proper humidity. Let, through any cause whatever, a light inflammation set on either the blood or lymphatic vessels, or the membrane, and immediately the glairy humor be secreted more abundant than it should be, there follows an affusion of this vapid humor into the brain, and an apoplexy and Paralysis.

Nature, in her anxiety to prevent such an accident, is in no case Guillot's Elixir before, during and after the affusion, to prevent it, and to operate a respite until a proper derivation can be instituted into, if it has taken place.

Bile, Bilious Diseases, Yellow Fever, Jaundice, Indigestion.—Nature is delicately nice, that the bile be thrown the seat of a violent inflammation, this inflammation ceases, the stomach and the intestines through an affusion of bile in times of

ELECTRO-MAGNETIC TISSUE, APPROVED BY THE ACADEMY OF MEDICINE.

This Tissue owes its curative virtue to the substance of which it is composed, and to the mode of the Voltaic Pile incorporated in it as a medicinal powder. Its action is energetic on the dermoid apparatus, it modifies itself by an insensible transition, and sometimes by a salutary derivative eruption.

This Tissue is of such a nature that it will last indefinitely, and that its use is more successful and more effective than that of all chemical papers most.

Asthmas, Catarrh, Whooping-Cough, Colds, Consumptive Cough, Inflammation of the Chest, &c.—These celebrated Pectoral Troches are now offered to the public with the lungs and on the surface of the bronchia, of a glairy, viscous, thick matter, which has appeared in the lungs after an inflammation. The tracheal artery is choked, no distention of the lungs can take place, breathing becomes impossible. Nature endeavors to get rid of this glairy humor by the act of violent coughing, and the sufferer dies by asphyxia, if the Elixir is not hastily called upon to supply the powerless efforts of nature.

Asphyxia, Paralysis.—The brain is crowded by a great humor, of blood and lymphatic vessels; it is seated with a mucous membrane, which secretes a glairy humor, in order to keep that organ in a proper humidity. Let, through any cause whatever, a light inflammation set on either the blood or lymphatic vessels, or the membrane, and immediately the glairy humor be secreted more abundant than it should be, there follows an affusion of this vapid humor into the brain, and an apoplexy and Paralysis.

Nature, in her anxiety to prevent such an accident, is in no case Guillot's Elixir before, during and after the affusion, to prevent it, and to operate a respite until a proper derivation can be instituted into, if it has taken place.

Bile, Bilious Diseases, Yellow Fever, Jaundice, Indigestion.—Nature is delicately nice, that the bile be thrown the seat of a violent inflammation, this inflammation ceases, the stomach and the intestines through an affusion of bile in times of

The Vegetable Substances contained in this Purgative have been selected and combined according to the new method of M. DEHAUT, in order to be Tonic and Purgative at the same time. Taken in the morning, they have the double effect of strengthening the organs, thus enabling them to overcome the effects of the Purgative, and to prevent the inconvenient bowel and stomach ache, which are so annoying to persons of all other systems. These advantages, which 35 years practice have proved, are not to be found in the DEHAUT PILLS very generally sold in Paris, and imitated in Germany and the neighborhoods. As a mere Purgative, they are superior to all others, being free from griping, and they may be taken for an unlimited time, without fatigue and distress. But the Purgative benefit is felt in the form of a great many Chronic Diseases, such as Constipation, Costiveness, Hypochondria, Giddiness, Headache, Incorrigible Indigestion, Bad Digestion, Nervous Affections, Hypochondria, Hysterics, Gastralgia, &c., &c., because the stomach and bowels are the organs in best accordance of treatment without fatigue. N. B.—Directly the NATIVE WHITE is given, the Purgative effect is lessened. Price of Pills, 1 fr. 50 c. Depot in Frankfurt-on-Main and Hamburg. Depots in New York, at MM.
