TURSDAY (MORRING) SEPT. 7: #830.

By the schooner Nimble, from Vert com that cirvito the 14th ult. and from? Action to the 11th. They contain no news importance. Washall however airs a wextracte in our next.

During the storm that bursted on Satursucceeded in towing her as far as the navy every demonstration of respect. Gaz. yard to be repaired, and the cotton that was on board was deposited at Mr. Frérei's press, which a few weeks after was des troyed by fire. All that cargo therefore We learn from William Wange, Esq became a prey to the flames. The ship (says, the Portland Courier,) who left Aurora finally, after having been repaired class the Portland Courier,) who left took a new cargo of cotton for Liverpool, that on the proceeding day news arrived, On Thursday the captain of her was taken there from St. Andrews and St. John in, and when she was ready to clear for such authority as to obtain entire her destination, she was struck by light on such authority as to obtain entire ring, which caused such damages on credit, that the British West India ports

dry, a respectable planter of the parish London. It is added that Judge Chip

General to the Post Master at New-Orleans, on the subject of a daily mail, between Georgia and Louisiana, has been forwarded by the Department, to the Poat Master in this City, as an answer to our memorial on that subject:

August 7th, 1830. 5

New-Orleans, La.
Sin: Your letter of the 5th inst. is received, enclosing a patition signed by a highly respectable portion of the chizens of New-Orleans, calling for adaily mail

by way of Mobiles.

The subject has been taken into due consideration: and indeed had been a matter of much desideration before the receipt of the petition.

From my first connection with this Department, it become an object of great cy and regularity to the conveyance of inst. says:—"On Sunday night, the mail between New Orleans and the 15th inst. we had a heavy gale of wind commercial towns in the Atlantic States, recompanied with rain to as great an extent as the finances of Its continued to blow from that quarter days are with dispersion of the conveyance of t the Department would admit, or the obligations of the Department to other sections would justify. This has been done. The mails now pass three times a week injury done to the crops is very great, ance and a piercing eye: We were very inspect with great care the provisions injury done to the crops is very great, ance and a piercing eye: We were very furnished for the emigrants, in order to previous to the gale the prospect of a near him, and he gazed at us sometime furnished for the emigrants, in order to both thighs. That mule will be The mails now pass three times a week injury done to the crops is very great, ance and a piercing eye; We were very inspect with great care the provisions place, and the prip is performed in ni- fine erop being made was general as he passed. He has certainly accom- avoid the necessity of supplying them place, and the mip is performed in ni- fine erop being made was general as he passed.
