NEW-ORLEANS, THURSDAY (MORNINS,) OCTOBER 21, 1880. West from Monday next, this paper will be phished again every day.

When we hastily overrunned the paper brought by Tuesday's mail, we have neglected to return our manks to our correspondent of the Milastephia Gazette for his promptible in conding us the substance of the news brought by the ship Glube. This is not the first time we have been favoured from the same source with important details unknown to a great many before, such as the arrestation of Polignac at Granville ; the departure for Spain, of a vesse loaded with arms; the commercial intelligence of Liverpuol August 26th, and the ship-news of that port to the 27th. The ship Globe left of the port is the Zilli. I we stop trious felt Liverpool 12 hours after the Napoleon that teached New-York on the 30th alt. Therefore, the news brought by this vessel cannot be very

As some of our subscribers have not received the extra sheet that we issued yesterday, we publish its contents in this day's paper.

OFFICE OF THE PHILADELPHIA GAZ. October 1st, half past 11, A. M. the With ult. from which we extract the following articles :

FRANCE AND AUSTRIA. We have received letters from Vienna, ar sounciss that the news of the revolution which has taken place in Paris was received with such and they accordingly changed their minds. perceits that even in Austria the liberal party is the press in Spain, by which imprisonment for regions. It is said that Prince Meternich advisid the Emperor to seed troops to the frontier, but the Emperor answered—"Stop there! I will printers who shall publish books containing treasonable or sacrilegious expressions.—Literary Gaz.

ALGIERS.

A private letter from Toulon gives important tinformation from Algiers. According to it Rouge.

At Munich the admiration was the same. Subms have been opened for the wounded, cristions have been opened for the wounded, and the general tenor of conversation is as follows:— The power of Metternich is at an end; let him go to the Devil Some old nobles and the congregationists are outrageous; they are lauighed at. One may easily perceive that the

Poole, three e'clock, P. M. Monday, Aug. 23.—The late King of France is this moment arrived at this port, and landed out of the Gov comment stramer Meleor. He and the young Bules of Bordeaux, and the Duke d'Angoulemes immediately set off in a carriage and pair belonging to E. Coughty, Esq. of Upton House, for Leilworth Conde. He looked well, and was very ENGLAND.

The Britannia store ship has sailed for Gallisia with campon, 9000 stand of arms, gun-nowder, &c. General Quiroga departs soon for the same province, where his brother has already arrived and commenced his operations. General Lafayette .- At the public diner at the Freemason's Tavern last wook, in cclebration of the triumph of freedom in France, Sir Francis Burdett, the Chairman, made an excellent speech, in the course of which he thus culo

gized the patriotic veteran, Lafayette:-There was one individual that stood foremos at the present period, and demanded of them the highest tribute of their admiration; he meant the brave, the generous, the humane Lafayette. His name stood foremost in history, as a great and good man, He seemed as if he mortified himself of every unsocial feeling. He reminded him (the Chairman) of what Cardinal Wolsey said when addressing his faithful follower Cromwell, 'Love thyself last.' This appeared to be the principle upon, which the grati-General to whom he referred constantly actual Aguin, Wolsey says to Crownwell, 'That corruption wins not mose than honesty.' So speared to think Gen. Lafayette. His first acquainman, was while reading an anecdote relative to the American war, in which he was represented as saving a wounded English soldier from the effects of the American soldier's fire, when his (the chlier's) conrades had fled, and when he himcil was unable to make any resistance. He really believed that the character of Lufayette was the most perfect in the world."

Political Union at Elland.—A public meet-

ing took place at Elliand on Wednesday's night, ced himself so unfit to rule, without receiving tas. Such an event would have the constable in the chair. Several manly and any slight contumely from the population. This to the tranquility and prosperity of this country, the constable in the chair. mentary reform; and Mr. Maun proposed the following which was manimously carried:—
That we must up the recommend to the liberality of the people of England a subscription for the benefit of the sufferers, and the widows individual unfit to reign, but too insignificant grafficed on the ever memorante zone, some une reals reception the some character, so far as the people are conwill rejected their goods."

FRANCE .- We can affirm (says Le Temps) . first no less certain then remarkable, namely, that among whom we noticed Marshal Marinont rates of last week; the import is 15,000 bags, from the 31st of July to the 17th of August last (Duke of Ragusa,) Gen'l Count Dogberty, Duke hamely, 14;200 American, 400 Demerate, and

It appears from the French papers that sympoms of an approaching revolution, or great political change in Spain, are too unequivocal to be mistaken. The following is an extract:

"BARCELONA, AUR. 11. "The news from Paris has given a great im-pulse to public public spirit in-our town, and much more to the persons that dwell on our sea coest, who are already in a state of ferment. Since the arrival of this news, all our authorities -military, civil and ecclesiastic - are in constant deliberation, and they have reinforced the grrri-By the ship Globe, captain Pedrick, arrived sons of our citadel, of Astaraganas, and of the last night, we have received Liverpool papers to fortress of Montjui. The military chiefs had, at first the intention to command that domiciliary that three of them had been convicted of robbe visits should be made, and that all our arms should be taken away from us; bubit afterwards occured to them that this measure might be a signal for a general explosion such as that of Paris

Ferdinand has issued a new decree against the

nformation from Algiers. According to it, Bourmont has refused to strike the white flag. and Duperre has hoisted the tri-coloured flag; so that all communication between the army and fleet is is proposed to form a new corps of citizens, char anspended.

The following (from a private letter) are some particulars of the conspiracy which has just been discovered here:- "The posts placed at the gates of Algiers had, for some time past, observed mules laden with filth, and driven by Algerines, pess out of the city .- Our people took it into their heads to examine some of them, and found a great quantity of ammunition, which they were the King of the French. taking to Arabs to arm them. The news of this It was only on the state discovery was immediately spread, and about fifty French, who were scuttered in Algiers, were cruelly massacred. The whole garrison was immediately under arms; a good many of the infamous conspiraters were arrested, and, happily, among them were the principal chiefs. They were all Turks, and orders have been givon to make an immediate and rigorous search for who will be sent, without loss of time, to Smyrna, on board some frigates. One has already sailed, and we hope that this measure will restore tranquility."-Times.

New-York, Sept. 30. LATER FROM ENGLAND.

The ship Ceres, capt. Luce, arrived yesterday from Liverpool, whence she sailed on the 27th ultimo, to which date she brings commercial letters, but no newspapers. By the brig Huron, cam. Fairfield, from Plymouth, a London paper of the evening of the 19th, containing Paris dates to the 17th, has been received. The packet ship Vapoleen, which sailed on the same day with the Ceres, is now below, but we scarcely expect to get our papers in time to use their contents in our present number.

The intelligence in the Loulon paper of the 19th—one day later than that received at Boston from which we gave the summary contained in its advancement. They say in positive terms takes with the name of this gallant and humane our paper of Tuesday, -add, but little to the in that none of the rumors which agitated public o Britain and Charles Caroll, from Cherbourg, from this colony; neither has there ever been having on board the ex-King of France and his any unfavorable impressions against it. Those suite, arrived at Cowes on the 18th. The London paper remarks that the same civility and of newspaper and other publication, in the U. S. forbearance which the French populace showed of the North—stating, among other things, that towards Charles X during his flight from Paris, searms of adventurers and fugitives from juswere continued to be exhibited up to his depar-ture, and he left the country which be had evinwith the whole conduct of the French in accomand organis of the brave people of Paris, who and powerless either to panish or detain him. to rain us, both in Mexico and in foreign coun-authors on the cybr memorable 26th, 27th, and His reception here seems to be pretty nearly of tries. There is cause to suspect that one of the

To strengthen the means offered by the Na-tional Guard and the faithful troops of the line for the preservation of tranquility and good order, it ged more especially with the guard and meric olice of the city of Paris, who will receive pay

From the Messager des Chambres of Aug. It is stated with certainty, that the king received to-day an autograph letter from his Majes ty William IV. containing the most positive ex-pressions of good understanding with France and

It was only on the statement of a German traveller that the "National" of Brussels had announced the march of sixty thousand Austrians owards Italy .- This information is perfectly hypothetical.

A letter from Leipsic, dated July 30, says Our city has been a theatre of disorders during the last few days : the people have rose agains the authorities; the riot lasted for several days all of that nation remaining here. This search the soldiers used their bayennets—a citizen was has placed in our hands two thousand Turks, killed and several wounded. The University and the citizens united to pay distinguished bon ors to the dead '

The German letter which gives this news doe not explain the cause of the tumult.

Austin, September 25. The last mail brought newspapers from he city of Mexico, up to the 25th ult. They contain nothing of any material importance every thing appears quiet except in the direction Acapulco, where it seems there still continue be some confusion and discord. Letters have been received by a gentleme

in this place, from persons high in office and in the confidence of the aution. There letters express the most friendly and paternal disposition towards this, and all other colonies or setements in Toxas, that have been legally established. Great solicitude is manifested in thes letters for the prosperity of this country, and for Great pinion as to Texas last spring, had their origin rumors, they say, originated from a great mass tice, who could remain no longer in their own country, were about to overrun and occupy Te-xas. Such an event would have been ruinous

> many others which contain nothing but base and infamous slanders, were well calculated to ruin us, both in Mexico and in foreign counobjects of those slanderons scriblers, was to stop the emigration from the U. States of the North, or from other foreign countries to Texas. There are some dispositions in the world of so envious nature, that they cannot bear to see any person prosper beside thrmselves, nor any country rising in wealth and happiness but their own. The writes above alluded to, seem to be of this class They appear to have acted on the principle, to make Texas a part of the U. S. of the North, come, to the wilderness, and to the occupancy of Indians, by damning its separation so that no thouse, wealthy, or civilized man would remove to it. The Indians on the cast of the Missian. pi are driven like dogs from the graves of their futhers, and hudled together on the northern frontier of Texas, ready to pass over and occupy

the whole country.

The religion of those writers may tell them. that all this is morally right, and magnanimous, and just. Our religion tells us very differently, fraternity or union with base and infamous slan-

derers! 1 dence, as he will find there more sympathy both recess!!!
