POTTER'S CELEBRATED Catholicon. ONLY TWO DOLLARS PER BOTTLE. THE component parts of this medicine are purely vegetable—it is therefore one of the safest in the world! A SOVEREIGN REMEDY in diseases of the liver, ulcerated sore throat, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, diseases of the lungs, syphilis, blotches on the face and skin, white swelling of the joints, tetter, mercurial discharges, &c. &c. The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivalled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred hoards that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon:—its healing powers; its usefulness as a general restorer of health; the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.
