BEWARE OF COUNTERFEITS

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated Catholicon, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Koli of Albecutor, or Syrop de Cousinier, which contains corrosive sublimate, and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but P. Ducongé and Morax & Co, who are my authorized agents for New-Orleans, and from whom the Genuine Potter's Catholicon can be had fresh from my factory at Philadelphia Wm. POTTER, Ninth street, Philadelphia.

POTTER'S CELEBRATED Catholicon.

ONLY TWO DOLLARS PER BOTTLE. THE component parts of this medicine are purely Vegetable—it is therefore one of the safest in the world! A SOVEREIGN REMEDY in diseases of the liver, ulcerated sore throat, debility resulting from intemperance and dyspepsia, acufusa and king's evil, old and inveterate ulcers, scurvy and rheumatism, dyspepsia, or indigestion, diseases of the lungs, syphilis, blotches on the face and skin, white swelling of the joints, tetter, mercurial discharges, piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivaled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon—its healing powers; its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alma House, and the Philadelphia and New-York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. These facts speak trumpet tongue—and cannot be gainsaid. It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medicine, some assuming to possess equal virtue, and tended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to filch the public, have published for their benefit the very certificate which the proprietor of the Genuine Catholicon had obtained from those who were cured by his medicine, of various distressing diseases.

Thus has he been assailed in every form by envy, jealousy and fraud; and thereby prevented, extending the usefulness of this great and long wished for remedy. Just received, direct from the manufactory of the proprietor, a fresh supply of the Genuine Potter's Catholicon, and for sale at the wholesale and retail Drug, Medical and Chemical warehouses of F. P. DUCONGÉ, Corner of Chartres and Conti streets. sept 21

SOLE DEPOSIT OF THE PARAGUAY-ROUX. An infallible Remedy for Tooth-ache.

L. CHOISEUR, still the agent for the sale of that precious remedy of Messrs. Roux and Chais, although he considers it useless to recall here the virtues of the Paraguay-Roux, better known by the success it has obtained, than by the praises bestowed on it by the public papers, thinks it necessary to inform the public that as sole agent of the Paraguay-Roux, he will not guarantee its efficacy unless not only the bottle be taken from his store, but that besides they bear the label of L. Choiseur, dispenser. Therefore, he invites those persons who have already made use of the Paraguay-Roux, as well as those who may be in need of it, not to mistake it for the Elixir of Paraguay, the Balsam of Paraguay and numerous other compositions of that kind which do not resemble in the least to the Paraguay-Roux, of Roux and Chais, the sole deposit of which is at the store of the above named, Royal street, No. 243, between St. Ann and Dumaine. nov 23
