**COURT OF PROBATE'S**—Sale by the Register of Wills.—On Thursday, 9th June, 1831, at 12 o'clock P. M. I shall offer for sale, for account of the community which existed between the late Mercedite Maxent deceased, wife of Louis de Perier, and the said Louis de Perier, as well as for account of the partnership which has existed between the said Perier and J. B. Vignie, the following property and slaves, to-wit:

1st. A Sugar Refinery and a Distillery situate in the suburb Cluot, measuring 65 feet 10 inches front to the river on about 515 feet in depth; which lot agreeably to the plan made by Joseph Pile, city surveyor, is regular to a depth of 300 feet, where it widens and measures 254 feet in width for a distance of 140 feet, and then diminishes 62 feet until it reaches the end of the 515 feet in depth. On the front part stands a brick house, and in the depth a building also of brick, and mostly covered with a terrace roof. The distillery takes upon an average 100 to 120 thousand gallons of rum a year, and has all the necessary utensils. It is in good condition and was newly repaired about 2 years ago. The fermentation tanks are well made and of choice wood. There are five stills, two rectifiers. The establishment is supplied with water by means of a steam engine of five horse power which draws water from the river by iron pipes 6 inches in diameter. The engine is a very simple one, requires little fuel and draws a great quantity of water. Also, a basin 200 feet long and 40 wide, on which is established an iron bucket wheel, which with the aid of a pump, conveys water, when the use of the steam engine is dispensed with. There is in the same establishment, a sugar refinery with all the necessary utensils to work it. Also a good forge-forgings for the mechanics, stables, coach house, &c.
