M. JEAN RAPALO respectfully in-

forms those persons whose sight is affected that he shall undertake the cure of that infirmity, and hopes to insure public confidence by a remedy as simple as it is efficacious. His residence is No. 74 St. Peter street. He declines himself in duty bound to publish the following certificates with which he has been favored:

NEW-ORLEANS, March 15th 1831. My negro boy, Charles, had been threatened with an affection of the eye, which threatened total loss of sight, when I was informed that Mr. Rapallo possessed a cure for the eye; I sent for the gentleman, who, in the course of a fortnight, perfectly restored him to sight, and from that day the patient has not suffered in the least. BELLEFINE BARBILLE. NEW-ORLEANS, Feb. 7.

I hereby certify that Mr. Jean Rapallo, has cured in the space of a month, one of my eyes, which for some time was so much afflicted that I was unable to work. At present I pursue my business without any inconvenience. ANTOINE SEDANO. New-Orleans 1st Jan. 1830.

I hereby certify that Mr. Jean Rapallo, (cured the eyes of one of my negroes (thirty four years old) in three days; notwithstanding he had been much affected for many months, & as it became so severely sore for many months, & as it became so exposed to fire, and engaged about different kinds of labor, without experiencing the least inconvenience. FURCY VERRET.

I certify that by the treatment of Mr. Jean Rapallo, an infant child of mine, whose eyes had been affected more than a month, and the sight of them almost lost, was perfectly cured in eight days. AUGUSTIN FAIRET. New-Orleans 29th Dec. 1830.

Mr. Jean Rapallo, I am in justice bound to admit your capability as an oculist. Your prescription and advice have succeeded with regard to my daughter, aged 7 years, and she has will in the last fortnight completely recovered her eye sight. You are, sir, authorized to inform the public, if you deem it proper, as I am confident that many persons labor under that disease, how implicitly I confide in the efficacy of your remedy. I am with respect your humble servant. ALFRED MCCARTY. New-Orleans, Oct. 12, 1830.

I certify that M. Jean Rapallo has in the course of six or eight days restored my sight. I am 80 years of age and my eyes have been affected for five years. JEAN LOUIS MICHEL. New-Orleans, Oct. 27, 1830.

I hereby certify that having intrusted to Mr. Jean Rapallo the care of my eyes, the sight of which I thought lost, I recovered in three days, and am now (thanks to his remedy) perfectly well. JAN 12 PIERRE DUCCLAIRAC.

BEWARE OF COUNTERFEITS. WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated Catholicon, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of J. Alcock's Catholicon, and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but F. P. DUCONGE and MORON & Co. who are my only authorized agents for New-Orleans, and from whom the Genuine Potter's Catholicon can be had fresh from my factory at Philadelphia. WM. POTTER. Ninth street, Philadelphia.

POTTER'S CELEBRATED Catholicon. ONLY TWO DOLLARS PER BOTTLE. The compound parts of this medicine are purely Vegetable—it is therefore one of the safest in the world! A SOVEREIGN REMEDY in diseases of the liver, ulcerated sore throat, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, indigestion, diseases of the lungs, syphilis, blotches on the face and skin, white swelling of the joints, tetter, mercurial diseases, piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper. The unrivaled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most secret boasts of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon—its healing powers: its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility than its success in the Pennsylvania Hospital, Philadelphia, the New-York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. These facts speak trumpet tongue!—and cannot be gainsaid. It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medicine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to flitch the public, have published for their benefit the name of Catholicon had obtained from those who were cured by his medicine, of various distressing diseases, which have been assailed in every form by every jealousy and fraud; and thereby prolonged extending the usefulness of this great and long wished for remedy.

Just received, direct from the manufactory of the proprietor, a fresh supply of the Genuine Potter's Catholicon, for sale at the wholesale and retail
