CARLOS B. LENES

RESPECTFULLY begs leave to inform the Public, that he teaches the "CASTILIAN LANGUAGE," that sublime idiom which has so often exacted the appellation of "THE LANGUAGE OF THE GODS," from men, both candid and learned. Mr. Lenes has the advantage, not only to be a perfect scholar in his mother tongue, but also to have found, by his constant labours and great experience, as an instructor of this beautiful and sonorous language, for ten years of time, a very short and easy manner of acquiring it in few months; he need not to say how indispensable it has become in a polite or commercial education, since the glorious achievements accomplished in the Spanish Americas. Terms may be known by applying at his house No. 71 Orleans street N. B. He will also undertake to teach the same language in schools, private families &c. &c. in the city; translations of any kind of papers, documents &c. &c. from the French or English language to the Spanish.

Satisfactory references will be given, both for capacity and character.
