MR. JEAN RAPALLO respectfully informs those persons whose sight is affected that he shall undertake the cure of that infirmity, and begs to insure public confidence by a remedy as simple as it is efficacious. His residence is No. 74, St. Peter street. He deems himself in duty bound to publish the following certificates with which he has been favored: N. B. Mr. Rapallo may be seen at his residence, from 8 A. M. till 4 o'clock P. M. He will shortly publish some new certificates.

New-Orleans, March 15th 1851. My negro boy, Charles, had been labouring under an affection of the eye, which threatened total loss of sight, when I was informed that Mr. Rapallo possessed a cure for the eye; I sent for the gentleman, who, in five hours, effected a cure, perfectly restored him to sight, and from that day the patient has not suffered in the least. BELEFINE BARDOLLE, New-Orleans, Feb. 7. I hereby certify that Mr. Jean Rapallo, has cured in the space of a month, one of my eyes, which for some time was so much afflicted that I was unable to work. At present I pursue my business without any inconvenience. ANTOINE SEDANO, New-Orleans 1st Jan. 1850.

Mr. Jean Rapallo—I am in justice bound to admit your capability as an oculist. Your prescription and advice have succeeded with regard to my daughter, aged 7 years, and she has within the last fortnight completely recovered her eye sight. You are, air, authorized to inform the public, if you deem it proper, as I am confident that many persons labor under that disease, how implicitly I confide in the efficacy of your remedy. I am with respect your humble servant. ALFRED MCCARTY, New-Orleans, Oct. 27, 1850.

I certify that Mr. Jean Rapallo, has in the course of six or eight days restored my sight. I am 86 years of age and my eyes have been affected for five years. JEAN LOUIS MICHEL, New-Orleans, Oct. 27, 1850. I hereby certify that having intrusted to Mr. Jean Rapallo the care of my eye, the sight of which I thought lost, I recovered in three days, and am now (thanks to his remedy) perfectly well as is. PIERRE DUCLAIRACQ, may 12

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated Catholicon, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of the Affecteur, or Syrop de Cousinier, which contains corrosive sublimate, and calculated to do much mischief. I trust the undersigned and purchase of no other persons but F. P. Duconge and Mose & Co. who are my only authorized agents in New Orleans, and from whom the Genuine *Potter's Catholicon* can be had fresh from my factory at Philadelphia. WM. POTTER, Ninth street, Philadelphia.

THE component parts of this medicine are purely Vegetable—it is therefore one of the safest in the world! A SOVEREIGN REMEDY in diseases of the liver, altered stomach, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, diseases of the lungs, syphilitic blotches on the face and skin, white swelling of the joints, tetter, mercurial diseases, piles, &c. The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper.—The unrivaled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and purifier of the blood and humors, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proof of the value of Potter's genuine Catholicon—its healing powers; its usefulness as a general restorer of health; the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alma House, and the Philadelphia and New-York Penitentiaries, and in other public institutions alike beneficent, where the eminent skill which presides over the cure has been exhausted in vain. "The facts speak trumpet tongue!"—and cannot be gainsaid. It is much to be lamented that there are so many apocryphal mixtures manufactured in imitation of this invaluable medicine, some assuming to possess equal virtues, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to flish the public, have published for the proprietors of the very certificates which the proprietor of the Genuine *Catholicon* had obtained from those who were cured by his medicine, of various distressing diseases. This has been assailed in every form by envy, jealousy and fraud; and thereby prevented extending the usefulness of this great and long wished for remedy. Just received, direct from the manufactory of the proprietor, a fresh supply of the *Genuine Potter's Catholicon*, and for sale at the wholesale and retail Drug, Medical and Chemical warehouses of F. P. DUCONGE, jun 9
