Extract from the act of incorporation.

Sec. 4. *Be it further enacted*, That the owners of real estate situated in the State of Louisiana, and who are citizens thereof, shall be the only persons entitled to subscribe, and shares so subscribed, shall be transferable only to such owners until after four years, when they shall be transferable to any owner of real estate in this state, whether citizen or not, provided, however, that to secure the capital or interest of said bank, mortgage shall be given to the amount of four millions of dollars on property situated in the city of New Orleans and its suburbs.

Sec. 8. *Be it further enacted, &c.* That to secure the payment of the capital and interest of said bonds, the subscribers shall be bound to give mortgage to the satisfaction of the direction on property to be in all cases at least equal to the amount of their respective stock, which mortgages may bear on cultivated lands and slaves, on lots with houses or other edifices yielding a revenue. That the said mortgages may also be created on lands not cultivated but susceptible of cultivation, and on vacant lots; Provided, that no more than one fifth of the stock of each stockholder may be secured by mortgage on unimproved lands not included in any plantation, and on vacant lots in the city and suburbs of New Orleans. No mortgage on slaves alone shall be received. That when a mortgage shall be offered on lands and slaves the value of the land shall be equal to least two thirds of the stock for which the mortgage shall be given. That houses and other buildings mortgaged to the bank, shall always be insured against the risk of fire, and the policy of insurance transferred to the said institution, but it shall not be necessary to insure buildings on plantations.

That property already mortgaged may be received as guarantee, provided, that the direction shall first deduct from the whole value of the property at least twice the amount of said mortgages, and then grant such only on the excess remaining after such deduction; Provided, however, the mortgage existing on said property shall not prevent the board of said bank from receiving them as security for stock when the sum to be loaned is to be employed in the extinguishment of said mortgages.

It is not necessary that the purchaser should understand the business, as six slaves will be sold with the establishment, who understand it perfectly, and are fully able to conduct it under superintendance. The person disposed to purchase may be satisfied of this, by residing for fifteen days in the establishment, and seeing it conducted. The period since the proprietor had the establishment, about 28 month, he has made out of it, eight or ten thousand dollars; the only reason that compels him to dispose of it now, is his daily ill health.
