The directors of the Maie Orphan Asylum annous the redbipts at the Orleans theatre, on Sunday evening. ter ecotation hundred and My-owen dellars and sinfu-too and a half costs. This benefit we leave is no less timely, than it is liberal in amount.

The mail of yesterday brought us nothing in the of news. The dates were, New York of the 11th instant, Washington and Baltimere of the 18th, and Charles-

The population of New York were apparently much occupied in the celebration of the anniversacies of the various religious and charitable societies, the seats of which are in that city. They are all crowded into a single week in May. The columns of the Commercial Advertiser and of the Edinburg Reviewer adde his share of praise, by spring that to him "the chief charm of Bryant's generative and some interesting dataliant from the anniversacies of the interesting dataliant in the chief charm of Bryant's generative and some interesting dataliant from the anniversacies of the control and the statement of the season of the various and the season of the Edinburg Reviewer adde his share of praise, by spring that to him "the chief charm of Bryant's generative control and the season of the season of the same of the season of th the fournal of Commerce teem with the details. We may glean some interesting details from the annual reports, at

which assembled at Washington on the 9th instant, had djourned sine die, after heving nominated Hunny CLAY esidency, and Jones Sandrant for the vice prosidency. It was for this purpose that they assembled. The the New York Evening Post, ... Louisiana Courier, Metional intelligencer exists the alonguenes of some of the

The house of representatives have decided, by a vote (ed the result of this motion. Mr. McDuffie had made a lations. — Ib. counter report on the bank of the United States, in which all the other members of the committee, except Mr. Adams, cos superate report was expected on the 14th, concurred. A debate, somewhat brunque in its character, ensued between Mr. McDuffie and Mr. Cambrelang, on the inpreduction of the counter report of the latter. The senste, by a vote of 22 to 23, have rejected the proposition to h the postage on newspapers.

The deaths of Gosthe and Berselius have produced a stion in the European republic of letters. In the Paris Journal des Debates, there is a fine tribute to the memory

It affords we sincere pleasure to observe the simost entire limity with which general Jour B. Dawson, of West Feliciane, is adopted, by all parties, as a candidate for the gubernstorial chair, to succeed the present worthy sent. Party feelings essen to have been enthrely aid saids, as they should be, in the present crims, in state ns; because it is evident to every candid mind, that efore the next governor can take his seat, general Jackson will have been re-elected to the presidency; and there is, barring the casualty of the death or resignation of one or the other of our senators, [and Mr. Jedistana says "fess die d seese resign") so question of national import, whereon the legislature will be required to act. The most devoted s may, therefore, with entire consistency, lay aside be trammele by which they have been so long encumberod, and look about for the man whose intimate knowledge

the adoption of those measures that are required by the more estisfactory basis then it is at present.

pie, must be twice expressed, before the legislature can people, must be twice expressed, before the legislature can preced to the passage of a law authorizing the people to chaose their delegates. As this cannot be accomplished in a less term than four years, all those who feel the ill offects of the members in our general assembly. code that the present time is quite as amplicious, as any that se likely to arrive very soon, for setting about so important

pirit that is so widely diffused among the peoat once apparent, when we recur to the fact that before any definite measure can be adopted, he will wield the exacutive destinies of the state, and have it in his power to expedite the march of reform, or, by his veto, to arrest it altogether. We, of course, know mething of the views of the state of the state. The warm will not now mething of the views of the state general Dawson, in this respect, further than they have been developed by his career as a public man; but avery with on the question. The bank has been assailed and been developed by his career as a public man; but every falsely accused of being insolvent. Under these circulate his building and animals afford a many

DAWSON is poculiarly well qualified for the station to the propriety of urging a re-charter as a matter of exwhich he aspires; end is more likely to administer a bad pediency, but it is past, and it is now their duty to press system so as to give general astisfaction, then asy gentlemen with whom we are acquainted. BURRIVILLE BARK. It appears that Mr. John L. Clark, the president of this institution left the state of Rhode Island after its failure, in consequence, no doubt. of the excitement against him; but whether an imper-tial examination of his conduct would convict him of of the interest of Louisians they enable them to hasten on the scarcer of the state to that high destiny that ultimately among the most preminent subjects that should occupy the attention of the 1-xt legislature is, the necessity of the slope of those measures that are required by the consequence of a requisition from the gow. the sdeption of those measures that are required by the constitution for calling a convention to revise that instruction for calling a convention of the age, as well as to the enlargement of the territory of the ante, which has taken place, by the annexation of the Florida parishes, since the admission of Louisians into the union. Public sentiment has already been unaquivocally expressed, in the case of fagitives from instruction for calling the convention of the flaton and a writted until yesterday, when gen. Tallmadge made an argument in support of the motion to discharge him from castody. The principal ground he took was that it did not appear upon the face of the warrant by virtue of which he was apprehended, that he had committed such a crim interest to the provision of the U.S. constitution. He went also into an examination of the Rhode Island laws to show that the offence charged was not made felonious or of an infamous character, by those. The court took time for consideration. This morning a written opin-As the consideration. This morning a written opin-ion was delivered by the chief justice, and the applicagovernor will have expired before the legislature can take then to discharge the prisoner under the habeas corpus any but initiatory measures towards the desired conven-

of the present system, and the murmurings against the and why, at this time he should decline further service, fediciery, which were heardwast winter, as well as the we call upon him to state? Private interests, when the replaints that are perpetually made against the inequality welfure of the community is at stake, should yield; and unless Mr. Dunn will furnish to his constituents, some

ADJOURNMENT OF CONCRESS. We hope congress will not adjourn until they have settled the tariff ques The propriety of selecting, so a gubernatoris) candidate, gentleman who has drank largely of the regenerating parit that is so widely diffused among the people, will be to sit till the 4th of March next, but it is no good responses to the state of the guarantee that he will not stand in the way of any amelioretions which the people may desire to make in the fundamental principles of the government of the state.

Cumstances it becomes the desired there charges and prove to the people that they have
no foundation in fact. Let them not leave their sents
till this is done, and then take a vace upon the question. cumetances it becomes the duty of its friends to repel Laying saids, however, all these considerations, general There was a time that they could have looked upon

Dose —We have received the May number of the ledge of men,—the facility with which, almost by intuition, he sequeimed himself with everything that requires his notice—his leng experience in public life, and, consequently, his intimate knowledge of the interests of the state,—and above all, the entire uprightness of his character and perfect frankness of his maker, combine to distinguish him in the retirement of private life, and to qualify him for the performance of elévated public trusts; and it is a circumstance of which we are proud, that the citizens of the expression of their wish to place him in the executive.

THE subscriber has the honor of announcing to the public, that on Sunday the 27th instant, he will open his establishment, situated at Port Pontchartrain, near the termination of the rail road, on the Lake. He will neglect nothing that may tend to render his esta-hlishment agreeable to those who may bonor him with their company. They will find a bar well supplied with the best liquors that can be precured in this city; a billiard room; a restaurant, where all the productions of the market, logsther with the best pastry, will be provided, and particular attention will be paid to the gratification of the palate of the lovers of fresh fish. There are also private rooms for private parties thenever they are desired.

Carringes may also be found at all hours of the day, plying between the rail read and bayou St. John. CARSTARIAN SYSTEM OF WRITING

CORNER OF GEARTRES AND CONTI STREETS.

B. DOLBEAR, respectfully informs the citizens of New Orleans, that in consequence of the numerous solicitations, he has recently received, he will continue to give lessons in this city, a few weeks lenger than he had previously intended. sons who commence immediately, may yet, have an opportunity to receive a full course of lessons. From he success which has ever attended Mr. D's instructions on this system, he can with confidence, assure the citizens of this city, that the most cramped and illegible hand may be exchanged in a very short time, for

a style free, rapid and elegant.

Ladies and Gentlemen are respectfully invited to call and examine the numerous specimens of those persons who have received lessons in this place. Laies can receive instruction at his writing establish ment, or at their own residence. Parents, teachers. men of business and good penmen, are particularly invited to call and examine for themselves.

N. B. Mr. D. would also give notice, that himself and brother have recently been appointed sole agent for all the southern and western country, for the only edition of this system that has ever been published i

NEW ORLEANS, May 12, 1882. On the invitation of Mr. Dolbear, a teacher of penmanabip in our city, upon the Caritarian system, we have carefully examired specimens of the writing of have carefully exam se ages range from 8 to 50 years, writbut through an entire course of instruction; and after baving done so, it is with the highest satisfaction that we can testify to the rapid, if not unparalleled progress which they have made,

From the specimens seen, and the examination of the system made, we cannot withhold the expression of a concurrent opinion, that the system is greatly superior to any hitherto taught. If to write legibly, elegantly, rapidly, and in good tasts, be an accomplish ment, useful or desirable, it is upon the principles of this system that it is to be acquired. We therefore anxiously solicit of the public a liberal patronage in famously solicit of the public a liberal patronage in famously solicit of the public as the state of the public as the state of the public as the state of the state vor of an instructor whose qualifications are of the highest order, and whose labors promise to be so exreedingly useful to this and other communities.

SALES AT AUCTION. SALE OF DE LA RONDES PLANTATION

TO DE HAND

MEWLETT'S MASPILLER AND DOMINGON WILL soil at anction, at the New Exchange, or urday, 20th instant, at noon, A PORTION OF THE LANDS

said plantation, situated air miles below town, and idvantageously known, as regards in situation and the elevation of the ground, unpersibleled even at a great distance from the neighborhoud of New Orleans.

A plan of the property will be exhibited at the Exchange several days previous to the day of sale, and are requested to visit the spot, where all the informa ion they may maure will be given.

The division of property is made in loss of about one argent from by six in depth, more or less according to their situation. A part are fronting the river, and will be sold with the privilege to the extensive hatture. The chiefs of the land is such that little or no leven in property. levee is required. The other late, one of which is '8 acres by about six in depth with the extensive manning, out buildings and garden of the plantation, fronting De La Roude and Lake Borgne's evenues, each fifty feet wide, with eighty feet between them, reserved in the centre of the plantation for the canal of Vermilles, intended to com ful bayon Bienvenu, which empties itself into Bonroe By referring to the maps of the vicinity of New Or leans it is evident that this spot is one among the very few that admits of the practicability of the execution of this so much wished for and necessary improvement, there being but a small portion of 100 acres from the river, and being there later 20 feet deep, and so wide, that it might rightly be called a

river rather than a bayou.

La the arrangement of this plan the proprieter bas reserved for the common use, draining ditches and conds on the limits of Messers. Bienvenu and Laconte's plantations, and accured to the purchasers the practica and useful. It is not necessary to remark that person wishing to secure country sents, by locating on this spec m going to town in the morning and setur ing in th
