MR. JEAN RAPALO respectfully informs those persons whose sight is impaired that he shall undertake the cure of that infirmity, and hopes to insure public confidence by a remedy as simple as it is efficacious. His residence is No. 74, St. Peter street. He deems himself in duty bound to publish the following certificates with which he has been favored:

New-Orleans, July 17 1831. Since the last eclipse of the sun, I partly lost my sight, and could not see at a distance, but having had recourse to Mr. Rapallo he has completely restored my sight; I consider it a duty to state this fact, for the interest of those who might be afflicted in the same manner.

New-Orleans, July 18 1831. Having called Mr. Rapallo to cure the eyes of my daughter, aged 8 years who felt a weakness in the sight such that she could neither read nor write, he administered his remedy to her with such success, that after six days she was perfectly recovered.

New-Orleans, March 15th 1831. My negro boy, Charles, had been laboring under an affection of the eye, which threatened total loss of sight, when I was informed that Mr. Rapallo possessed a cure for the eye; I sent for the gentleman, who, in the course of a fortnight, perfectly restored him to sight, and from that day the patient has not suffered in the least.

New-Orleans, Feb. 7. I hereby certify that Mr. John Rapallo, has cured in the space of a month, one of my eyes, which for some time was so much afflicted that I was unable to work. At present I pursue my business without any inconvenience.

New-Orleans 1st Jan. 1830. I hereby certify that Mr. John Rapallo, cured the eyes of one of my negroes (thirty four years old) in three days; notwithstanding he had been much afflicted for many months, so as at times, to be scarcely able to walk. He has since been exposed to fire, and engaged about different kinds of labor, without experiencing the least inconvenience.

New-Orleans, Oct. 12, 1830. Mr. Jean Rapallo—I am in justice bound to admit your capability as an oculist. Your prescription and advice have succeeded with regard to my daughter, aged 7 years, and she has within the last fortnight completely recovered her eye sight. You are, sir, authorized to inform the public, if you deem it proper, as I am confident that many persons labor under that disease, how implicitly I confide in the efficacy of your remedy. I am with respect your humble servant.

New-Orleans, Oct. 27, 1830. I certify that Mr. Jean Rapallo has in the course of six or eight days restored my sight. I am 80 years of age and my eyes have been affected for five years.

New-Orleans, Oct. 27, 1830. I hereby certify that having intrusted to Mr. Jean Rapallo the care of my eyes, the sight of which I thought lost, I recovered in three days, and am now (thanks to his remedy) perfectly well.
