After the reading of the Mayor's message, the green diverse we leave the reading of the Mayor's message, the From this we leave

On motion of Mr. Hyde.

Resolved, That the Council shall make on Saturday next at 5 o'clock in the evening, agreeable to the request of the Mayor's message.

On motion of Mr. Toby.

Resolved, That the section of the message relative to the farming of the pirogues and ferry, is left to be decided according to the judgment of the Mayor.

Mr Dixon, Chairman of the committee appointed

o enquire into the market house of faubourg St faryguid, that he has not had time, but promised On motion: the Council ballated for the appointment of assistant surseyors. Mr. Alfred E. Forstall was unanimously elected for 5t Maryin, Mr. D'Hem.

unanimously elected for St Maryla, Mr. D'Hém:-count for Marigny's faubourg.

On the rejection of the Modution to increase the

thingsfeer had done studies vice to the district in which he is placed, and that the inhabitants thereof would like to see his salary increased.

Mr. Dixon is of opinion that the present salary of Sergent Robert could be increased to fifty dollars iestead of forty. This motion was negatived and the obligations of the Mayor rewailed.

Mr. M. Bach, who had made a contract with the representation to sell his wood at \$5 a cord, declares corporation to sell his woon as we a corporation to sell his woon as we had, and that the same wood that the roads are very bad, and that the same wood sells for 10 dollars; in consequence of which he asks leaveste unload his wood, which he intends to bring

n boots, opposite the city. proposed the following resolution:land the wood for the use of the Corporation, at any onvenient place in front of the city, without pay-

ing wheringe for four months.

Mr. Biane oppdesait, stating that the farmer of pirogues might claim against the privilege granted to Mr. Bach. Mr. Dinon observed, that it was but temporary and that, besides, it was not a pirogue, but a flat bottom beat, which was not a pirogue, but a flat bottom beat, which was to be used for that purpose Mr. Enterson said, that every day boats were em-ployed by the corporation to carry shells for the use of the city, without paying any tax. The resolution was adopted.

duction of the Cholera Morbus, stated to the Council, that from information he had obtained on the subject from the heat sources, he thinks it is useless subject from the hest sources, he thinks it is useless the transport of take any measures to prevent the instantance of the disease, which, in many places, extends its rayings many leagues beyond the sanitary lines established to oppose its progress—he, therefore, requested that the committee be discharged—Granted.

Mr. Lallands expressed some doubts as to the Mr. Lallande expressed some doubts as to the constitutionality of the ordinance authorising the and asked that a committee be appointed to enquire into the same.—Messrs. LaHande, Dixon and Emer-

Mr Soule presented the following Mr Soule presented the following resolutions, and asked for the dispensation of the rules, which being granted, the resolutions were adopted.

Resolved, That after the 20th of this month, shall not be lawful to deposit any fire wood, or other hind of timber, taken from the demolished flat books on that part of the Leves and the public road. soan on that part of the Levee and the public road, emphasis between Champ Elyzées, & the lower limits of Levee and Enghein streets, under the penaltition article 24 of the ordinance concerning the port and levee of New Orleans.

Resolved, That the 24th article of the above ordinance be extended to the space above mentioned.

nouses on the

GREECE. have withdrawn public attention almost entirely from other countries, and among the rest from that country in helial of which the sympathies of the American people were but recently enlisted, which their charities drawn forth, from one extremity of the Union to the other. We refer, of course, to Greece. CITY GOUNCIL.

Silling of the 14th December, 1831

After having reaching proceedings of the last sixting, the Secretary presented the Message of the Maybr, as follows:

His Honor inflatus the Causell, that he has forwarded to the Hess. E. Livingston, the Attorney of the Corporation in the States, the dockers relative to the suit now pending between the Corporation and the United States, about the vacant loss in front of the city.

He calls for an extraordinate meeting to order to provide for the nomination of collectors of the tames and pedlars.

He proposes to lower the meeting to order to provide for the nomination of collectors of the tames and pedlars.

He proposes to lower the missiphum of the farm of pirogues and farries, so as to facilitate the adjudication thereof.

He also recommends the imposition of a special tax on the butchers of the market house of St. Marry's farebourg, were very local to the came of the also recommends the imposition of section thereof.

So it is not improbable that they will lose their heads for their patriotism, unless, perchance, the governments of France and England should interfere to their preservation. It is high time that they should interfere, unless fire withing to governments of France and England should interfere to their preservation. It is high time that they should interfere, unless fire withing to governments of France and England should interfere to their preservation. It is high time that they should interfere, unless fire for their preservation. It is high time that they should interfere, unless fire withing to governments of France and England should interfere the could be for the interfere to their patriotism, unless, perchance, the governments of France and England should interfere to their patriotism, unless, perchance, the governments of France and England should interfere to their patriotism, unless, perchance, the governments of France and England should interfere to their preservation. It is high time that they should interfere unless for the input of

the other for Marigny's faubourg.

The Mayor refused to sanction a resolution specifying to increase the salary of Sergent Robert of forty, as this compensation is not allowed to the other efficers

The Mayor wishes to know inwhat manner the fifty cords of wood allowed to the purchasing and discrete in relation to the manner to be distributed among them, and whether the members are about to receive a new revision.

The Mayor wishes to know inwhat manner the fifty cords of wood allowed to the poor are to be distributed among them, and whether the members are about to receive a new revision.

A decree in relation to

ed at the Department of State from the Portu-

From this we learn that all foreign or Portuguese merchant vessels that shall anchor in the port are prohibited from fieling cannon or fire arms after they have gone from Belem upwards. The penalty for a violation of this is, that the offending vessel shall for his many guns or their value, as shots may be fired.

All vessels of war belonging to the Crown are

prohibited from firing within the landmark of Alcintars, on entering or going out. In vessels offending against this decree to commanding officers shall loose their commission. Respecting the vessels of war and private

where they may fire, but if they go up higher (uccording to Clarke, the largest hewn block they shall not fire. The penalty for the viola-known,) seventeen feet thick. The length of this Soulet remarked that tion of this case is imprisonment. If the comman ling officer be a nobleman, he will be con-fined six months, if not a nobleman he shall be tive Half at the Capitol. Fears have been on sent to Africa for two years.

Dated 12th September 1831 Signed JOSE DE SALES BIBEIRO.
