Mr. D. expects his brother, from their establian and at the North, this week, when they will be prepared to vive private lessons and ex cuts all kinds of in a superior surface of CERTIFICATES.

I have examined, with attention, the system of writing taught by Mr. Dolbear, and it is with pleasure that I on certify to its superiority over any other method, with which I am acquainted. Mr. Delhear having even private lessons in my family, I consider it but justice to add, that I believe him as much worthy of public catronage on account of the correctness and mildness of his character, as on account of the rapid improvement of those who received his lessons.

New Orleans, July 2d, 1832. A. B. ROMAN.

On the invitation of Mr. Dolbear, a Teacher of Penmanship, in our city, upon the Orleans, mystem; we have carefully examined specimens of the writings of his pupile, whose ages range from 5 to 50 years, written through an entire course of instruction; and after having done so, it is with the highest satisfaction, that we can testify to the rapid if not unparalleled, progress, which they have made.

From the specimens seen, and the examination of the system made, we cannot withhold the expression of a concurrent opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior to any current opinion, that the system is greatly superior No. 346, In assuring sure the part of proceedings seized in Capith, together with the handred and the story of recorded, seized in Capith, together with the handred and the story of recorded, seized in Capith, together with the handred and the story of recorded, seized in Capith, and the story of the st
