SEIDLITZ POWDERS.—The virtues of this celebrated preparation, when carefully and faithfully made, are well known; so well as to have created an unprecedented and increasing demand for it, ever since its discovery. The consequence of this immense demand has been (of late particularly) a hasty carelessness in its composition; which, if continued, must destroy its reputation as rapidly as it has been made.

Most of the Seidlits Powders, manufactured at the north, fail (when used here) to produce their salutary effects; and are returned, with complaints, to the seller.

The subscriber has therefore been compelled to use the only means in his power to remedy the evil; and will, in future, carefully prepare them himself. He will warrant his preparation to be equal to any imported from Europe, or any part of the world; to be always fresh and efficacious, and will keep on hand a sufficient quantity to supply the city of New Orleans and its vicinity.
