the public, that he will exhibit for a short time [illegible]
and interesting ART; and can assure those who [illegible]
ed to encourage the fine arts, that the exhibition will be
found worthy of their attention. The process of modelling
figures of animals, &c. from glass, in a state of fusion is
so wonderfully curious, as to fill the beholder with aston-
ment, and must be witnessed, in order to decide on it
due; as no description can afford an adequate idea of the
pleasure it affords. The various productions of the artist,
