THE UNIVERSAL MEST SE PRESERVED," TUESDAY MORNING, MAY SI, 1838.

FUR GOVERNOR: J. B. DAWSON.

We call the attention of the public, to a sale, which will ake places to morrow, at the exchange, by Meur Pricon ad Canonge. The great demand for lots in the lower part as induced the agents of Mr. Jacques Dossou, o disable and offer for selecthat part of his property known by the minute the plantation. Doublou, forming a part of a former Bourg do Clouet, now faubourg. Washington part of the lots offered has been for a long time under cultiation as a gartien, and offers every advantage for an atrocble and convenient residence.—The land is high and the nitration consultably locality, and the impronue nie going on in that part of the city, offer every inducement to perchange. We invite the public to visit the premises before

By yesterday's mail we have New York papers to the Boston 3d, Washington and Baltimore Oth, and Charleston of the 10th 's stant. European dates of six days later than these received by the Warsaw, have been brought to New York by the South America, from Liverpool-ex tracts of which we have heade for this day's paper-

The ceremeny of laying the corner stone of the more need to the memory of the mother of Washington, we al of the high officers of the government, were to attend the

ner Two Brothers, arrived youlerday from Tan seen, we have received newspapers from that years to the 61 instant, inclusive. The news from Mexico is of a lively in

The Gazete, of the 12th Applicaports that a rumor had been arrand at Maxico, on the 188th of letters received from Tampieo, that 48 Spaniants had been murdered in the lat ter city, and 22 at Pueblo Viejos and that officers of the ine, charged with dilapidation of the public funds, had also been murdered. This report is utterly unfounded, and the person, who spread it had no other object than an attempt to irritate the moderate party friendly to the Spaniards, and excite them against the government

had organized a new revolution in the south, but the Phoni Ley, positively denies this assertion.

nion we have constantly entertained Anna's disinterestedness and want of ambition, has just patriot has voluntarily descended from the highes tation of the sepublic, to which he had been elevated by the grateful voice of the people. He has resigned the cy—and has also signalized himself by another act worthy of praise. The state of Yucasan, in son sideration of the great services rendered these country by sideration of me great services rendered to the goundy by that illustrions estimen, had decreed in his had the settled pension of two theusand dollars—has held they accepted this gift, to appropriate it to the funds destined to public education.—The Mexican papers abound that his praises, and it is just to semark, that such examples have been un indeed among the persons who have been at the head of affairs since the declaration of independence of that country. In consequence of the resignation of Sants Anna, general Gomes Farine, the vice-president, is now with the supreme authority.

The state of Tamanlipes, which is in constant intercors with our regulatio, is becoming every day more sensible of ces that on the 14th, it was preceeded in the city to the opening of a primary achoel for the education children, and of a college designated under the name

f Junto de la Libertad. A project of a law to abolish all obstacles to the liberty ens, is now built bingross. Another law has been to the legislation at Vora Cruz, to prevent the cal corporation from increasing their wealth by stary densition. The abolition of tithes is also The installation of the Vice-President of the copublit has been celebrated at Mexico. The newspapers of that city give a splendid description of it. The prec lelivered at the house of representatives, by general Farice is truly remarkable by the views it lays down for the sess of the country.

From the contents of our files from Mexico, it is quit views that an energetic spirit of reform has pervaded the authorities in every state as well as the general gov-

New York, May 4. LATEST FROM ENGLAND.

By the arrival of the old line packet ship South America, capt. Masshall, we have London papers to the 1st and Liverpool papers to the 2d April, the day on which she sailed.

The Belgian-emestion remained unsettled. A private correspondent of the London Tince, under date of March 20th, from the Hague, writer as follows:—

"There is another class of epinions more prevalent at the Hague than in any other part of Holland, the tendency of which is as opposite as possible to those now professed by the baren Van Zaylon. The object of the parties by whom these spinions are professed in to make se believe that a general war is at hand. The latest version of the story is a residue is on the eve of taking place between France and England, sinsing out of the designs of aggrandizment which are still imputed to France in the direction of Egypt. The Pressian minister, count Malzahn, was told the uthout creasing at the palace, on the authority of letters from a perevening at the palece, on the authority of letter from a personage of the insperial dignity, that if his empire had been so near to the Netherlands as the kingdom of Prussia, that the Datch and Beigian question would have been settled

Admiral Barbirius had hencine very much discultrated, and written a latter to be fail testine the Queen, in which he expresses he willington to receive the Queen, in which he expresses he willington to receive the Queen, in which he expresses he willington to receive the Queen, in which he expresses he willington to receive the sometime of the fact, if her Hajesty chose to appoint a successor.

The Dutter papers of F. Isby, which arrived possible, creation no news of importance. The loster of our figure correspondent will be read with interest.

The Irish Disturbance. Hill passed the Hence of Commons have taken the apportantly presented by the receive which give recently reptied, general Jackson.

Ministers have taken the apportantly presented by the receive the latter than the personal benefit to succeed the entire the resignation of Lord Durche's to sucke a slight alteration in the personal benefit to the colonies. The vaccin prity seal is to be held in hitter by viacount Godgrich, Mr. Standle by it to be secretary, to the colonies in his place, and Six John Hobbense is to succeed to the assertary ship of freland. There is no manne for believing that this change of persons will preduce of Commons March 25th, Six J. Graham.

In, the House of Commons March 25th, Six J. Graham.

The the House of Commons March 25th, Sir J. Graham, Interest forward the navy estimates, recommending the 187,000 men, including marinen, should be untaken survice of the navy during the 13 latter months and Mirch, 1831. Agreed to.

On the Sith, Mr. Robinson moved the appointment and or consider and navy the granting to On the SSth, Mr. Robinson moved the appearance select committee to consider and revise the existing the tion, with a view to a repeal of these bardens which pressure the existing to meet heavily upon prejective industry, and the substitution of an equitable tax on property in lies thereof. Lest, year 185, nose.22 h.—Jest. of Gas.

List, proc. April 2.

On Friday last the river presented a most bestiful and animated appearance about the time of high water. Owing to the long continued easterly winds, he vessels had ing to an long continued easterny winds, no vessels had been soliding set into port some weeks but a change having taken place on Thursday night, not less than a handred and thirts ships of various sizes, and from all parts of the world, which had been cruizing about in the channel, externed the river on Friday. The spectrality as extreme beautiful from the Printo's pier, as the last passed hat ery and hight house with all their said spread, as a complete cruyds?

hat evy and high home with up the mount of complete crowds:

Passage of the friels Enforcement Rill in the House of Commons.—On Friday, March 2 the motion for the third reading of this bill a long that interesting discussion takes makes. took place. Mr. Cobbett moved, so as assendment, that the bill be

ed the amendment.

Mr. O'Connell, in opposing the bill, warsed the house Mr. O'Connell, in opposing the bill, warset me souse of the consequences of passing such an act, whish would an asperate the frish people, and be the sure means of efforting a separation between England and Ireland; for though a original herrors of the bill had been mitigated, it was an incidently atrucious to rouse the indignation of his country.

ciently atracious to rouse the indignation of ms country men.

Lord Aithrop replied. Crime, he said, was as great as ever in amount, life and property as insecure, as whon the bill was first brought in. The honorable and learned gentleman (Mr. O'Connell) said that the waters of liberty required agitation, but if they did require perpetual agitation—if freedom could not agist with peace and order, it was not the freedom, which he had been taught from his youth upwards to love. (Hoar, hear.) One of the great merits of liberty—one of its most endearing qualities, was that it provided for the peace and order and heariness of all Liberty was not that state in which the peace and order and heariness of all ordering to conscience in their legs. ry (cheers.) Again, the honorable at

asked what country required agitation as He (lord Althrop) would rather ask what o He (lard Althrop) would rather ask what conquite more? Cheers.) The honorable and the literann also sad that Ireland had never been is just by her own sens. In that position he fully agreed the honorable and Isarned gentleman; and would full add, that if had never been more seriously injured by own sons than of late fears. (Hear, hear.) All Ireland real grievances had been freely admitted by the government and the parliament, and both evers steadily bent applying proper remedies to them. Cheers.

The house then divided—for the third reading, 365-Colbott's amendment, 76—majority, 239.

On the following lay it was taken up by the blods, ordered to be printed as amended in this and made the order of the day for Monday [April] will be recollected that the bill originate the content of t of the commons now required to be considered.

CHANGES IN THE ERITISH MINISTRY

Liveapoot, April 2.

Ministers have the opportunity presented by the resignation of Lord Durham is make a flight alteration in the per-sonal construction of the cabinet. The excant privy scal is to be secretary to the colonies in his place, and Sir John Hobbanes is to succeed to the supertaryship of Ireland. Lorent Howleb has restrated his close at the Cabonic Of

Acto and superious from Spain.—Private accounts received in this city, from most respectable sources, dated Cadiz, March 23d, bring information that Don Carlos left Madrid on the 16th, in company with the Duchess de Brize, for Lisbon. They left the capital at 5 o'clock in the morning, without producing a 17 capital at 5 o'clock in the morning, without producing a 17 capital most.

The important movement, which was expected by some of the public writers in Europe at call last dates but which was regarded as rather deabtint, has therefore been made; and the results must be regarded as favorable to the best interests of Spain.
