FRESH GARDEN SEEDS NOW LANDING, AND FOR SALE AT WM. SMITH'S Garden Seed Store, No. 83 Custom-House street.

The subscriber begs leave to inform his friends and the public, that he is now landing from the packet ship Natchez, a renewed supply of fresh SPRING GARDEN SEEDS, received direct from the growers and warranted equal as to freshness and quality, with any imported into New Orleans either from the Northern or Western states.

Country merchants and dealers will find it more to their advantage to obtain their supplies for retailing from the establishment than from other in the city, as from the subscriber's long residence and practical knowledge of the Seed business, he is better prepared to fill an extensive order (whether wholesale or retail,) for any of the standard kind of KITCHEN GARDEN SEEDS, than any similar establishment south of the Atlantic cities, not even excepting any of the Shaker's societies. Dealers can always, during the Fall and Spring seasons, on a short notice, obtain the utmost unlimited supply of Garden Seeds either by the single dozen papers, or gross, neatly and uniformly put up with printed labels in French & English.

The subscriber begs to return his warmest acknowledgements for the patronage with which he has been favored since his first establishment in 1822, and hopes by a renewed assiduity to merit a continuance thereof, in his new store No. 83, Custom house street, where he will be particularly located. WM. SMITH.

LOUISIANA BOARDING SCHOOL,

Under the direction of Mr. Chas. Cuvellier.

THE Boarding School is established on the plantation lately owned and occupied by Mrs. Laroche.—No situation in the vicinity of New-Orleans unites more advantages for an establishment of the kind. The buildings are extensive and distributed in a manner the most favorable to the maintenance of interior order. The site although in the immediate neighborhood of the city, affords with regard to healthiness, the same security as a country place, and the localities are too well known to need further description.

Those persons who will take the trouble of visiting the establishment; will convince themselves, that it would be almost impossible to find a more eligible spot for its location.

Mr. Cuvellier having for a number of years back, devoted himself to the instruction of youth, and his principles having been appreciated by many respectable heads of families, it would be superfluous to dwell long on that subject. It will suffice to inform the public that the *Louisiana Boarding School* shall be established on the same basis as the college which Mr. Cuvellier has been superintending with some success for the last six years.

The studies will then, as heretofore consist, for all the pupils, of the French, English and Latin languages—and her two children, Nancy, a servant girl of 10 years, handy at all kinds of house work, and Amelia about 6 years old.
