LOUISIANA BOARDING SCHOOL,
Under the direction of Mr. Chas. Cuvellier.

THE Boarding School is established on the plantation lately owned and occupied by Mrs. Laronde.—No situation in the vicinity of New-Orleans unites more advantages for an establishment of the kind. The buildings are extensive and distributed in a manner the most favorable to the maintenance of interior order. The site although in the immediate neighborhood of the city, affords, with regard to healthiness, the same security as a country place; and the localities are too well known to need further description.
Those persons who will take the trouble of visiting the establishment; will convince themselves, that it would be almost impossible to find a more eligible spot for its location.
Mr. Cuvellier having for a number of years back, devoted himself to the instruction of youth, and his principles having been appreciated by many respectable heads of families, it would be superfluous to dwell long on that subject. It will suffice to inform the public that the *Louisiana Boarding School* shall be established on the same basis as the college which Mr. Cuvellier has been superintending with some success for the last six years.
The studies will then, as heretofore consist, for all the pupils, of the French, English and Latin languages.—Those above twelve years of age, may besides be taught the Spanish.
All the pupils, according to [illegible] capacities will follow a course of Mathematick, Algebra, Geometry, Arithmetick, [illegible] and descriptive Geometry.
The elements of Natural [illegible] will be taught to those [illegible] followed with [illegible] of the general [illegible] be included in the [illegible] The teaching of [illegible] families [illegible] in the establishment.
