[illegible]of that ever Cabinet adopted—will [illegible]

[illegible]attachment to the queen, and bound by [illegible]
[illegible]support the succession lately sanction[illegible]
[illegible]and yet such has been the case thus far. [illegible]

[illegible]ncil of ministers sent an army of 25,000 [illegible]

[illegible]calculated to rum that unfortunate [illegible]
[illegible]ore got already sealed, could [illegible]

[illegible]ect interference of France and England, [illegible]
[illegible]arpose in Portugal of an overwhelming [illegible]

[illegible]s anxious to know here whether [illegible]
[illegible]will allow the French to take the [illegible]

[illegible]and influence which would [illegible]

[illegible]ench Government has been profu[illegible]

[illegible]Queen Donna Maria will be formall[illegible]

[illegible]he silence of the French gover[illegible]
[illegible]proves its embarrassment on the sub[illegible]
[illegible]to unmeaning remonstrances and th[illegible]
them Powers, should France take an [illegible]
struggle between the two brothers—Pedro and [illegible]

It gives rises to reports that before taking the step [illegible]
you in the acknowledging Donna Maria the Queen [illegible]
wishes to secure your support against the Northern [illegible]
pots. Depend upon it if you do not look sharp you [illegible]
be outwitted.

The reported insurrection in Switzerland [illegible]
day produced a sensation on Change, [illegible]
been a renewal of hostilities which, during [illegible]
three years, have existed between the inhabitants [illegible]
only and those of the country of Basle. It [illegible]
their honors, the Bourgeois, planned an incursion [illegible]
canton by a route through the wood, and attacking [illegible]
rabies, aided by the poor Polish refugees to whom [illegible]
forded shelter and with whom they had [illegible]
formed an ambuscade and so peppered the citizen [illegible]
burgesses that they fled incontinently, leaving two [illegible]
artillery in the hands of the conquerors. [illegible]
all as that of the canton of Schwytz, now [illegible]
well worth scanning closely. They [illegible]
Swiss interference. A civil war in the Swiss confederation [illegible]
said to be a favorite project of Prince Metternich, [illegible]
it would appear to call on Austrian intervention. [illegible]
Austrian intervention would place the [illegible]
Helvetian in the hands of one of the deadliest enemies of [illegible]
the end of freedom.

Orders were received on Sunday night last to expedite [illegible]
equipment of her Majesty's steam Caledonia and Rose. It is reported that the Caledonia will be employed to [illegible]
to embark the Young Queen of Portugal [illegible]

ST. PETERSBURG, July 31—(From a [illegible]
the affairs of Turkey are ended, and the [illegible]
and army has commenced, the attention of [illegible]
is again turned to those countries where in consequence [illegible]
the revolution of July questions of a very embarrassing nature present themselves.

It is a matter of surprise that Belgium, which [illegible]
its political generation, liberty, peace, and [illegible]
tivity, should still be in a situation in which the [illegible]
is predominate. Great attention is excited [illegible]
ce in Germany, which leave no doubt that the [illegible]
ce of the young men, and their liability to [illegible]
been made use of by foreign agency for bad purposes, [illegible]
the intrigues the same time plots of assassination at [illegible]
Edinburgh and Naples, and people ask themselves [illegible]
the governments, that are concerned, what [illegible]
of a state of things that fills all well constituted [illegible]
with horror.

Deux malles du nord arrivées ce matin nous [illegible]té des journaux de New-York jusqu'au 15 [illegible]contenant des nouvelles de Portsmouth du 11 août, reçues par le paquebot *Sovereign*.

Au nombre des passagers du *Sovereign* est M. Hogan, chargé d'affaires des Etats-Unis à la cour de Russie bien connu, dit le *Portsmouth Telegraph*, pour avoir conclu pour son pays un traité de commerce plus avantageux que celui que lord Castlereagh obtint pour l'Angleterre.

Le paquebot *Liverpool*, arrivé à Boston, a aussi apporté dans cette ville des nouvelles de Londres du 17 août. Il ne que nous remarquons de plus intéressant dans [illegible] provenant de ces deux sources.

[illegible]rticle de Madrid de 22 juillet affirme que M. Zea [illegible]des a employé tous les moyens pour engager la [illegible]pris en faveur de Miguel. Il lui a dit, entre autres, qu'il pouvait compter sur l'approbation et même [illegible]de la Russie et de la sainte-alliance. Et S.
