CATIFORAL OF RHEIMS.

An Historical and Shammary Description of the Cathedral of Rheims, and principally of the exterior of foods, copied in the menous of the Cathedral of Rheims, and principally of the exterior of foods, copied in the menous of the Color of the tradition it appears, that it was to wards the year 57, after Jesus Christ, that Sextus I. Bithop of Rheims, caused this Church to be built. We will not attempt to penetrate into the folds of the obscurity that envelope the cradit of this Cowes: its origin is given with much uncertainty, by the great number of bistorians who transmitted to us the result of their researches. The Cathedral of Rheims is not one of the least successful.

most magnificent cathedral. Thus the unfortunate disagreter of the Church of Reims, could not remain a long time unrestored; they soon set to work, and the treasury promptly exhausted, was almost as soon replenished, as by magic, from the immensus products of the stems, and liberality of Princes, Lords, Clarginger, and the prophe, at such a rate, that the following year, the Archbishop Absick of Humbert, was enabled to lay the corner stone of the new editice. Said editice is the very sime new avising lead of Rueims, the the colors of Beauvais; but we was a similar that it meditice. diffice. Said edifice is the very same new existing, and of which we will only describe the principal particulars of its
