veiling ambition, and a sorded passion. Yet, what has he done! Instead or disting with the most powerful institution on earth, he has removed the deposites to the local Banks.—It is he gone to that Bank where all power is concentrated,—origin. Bank capable of producing all this distress and pressure! No. It his object hind been power, he would have gone to that Bank seeking to obtain a recharter, and there have made his bargsia. He would have gone to an institution having so much influence, over the people, not to the State Banks, which cannot have any uniformity of action, but to the Bank of the United States, rich in con, influence and power, which if thinks height the government or people can control—te the Bank which says it can annihilate the State Banks. It all this proves any thing, it proves his high mindedness—he says to the Bank, begone, although you have a majority in the House of Representatives, I have velocal you. This would not have been his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, it he had contemplated a union of the purse his course, of the contemplated a union of the purse his course, it he had con-

HOUSE OF REPRESENTATIVES

Resolved, That the Committee on Naval A fairs be instructed to enquire into the expedience of sabsulating lead for iron as the material for balls for the use of cannon on board our vesseles of war, and betteries on land.

REMOVAL OF THE DEPOSITES. The House resumed the consideration of the metion to refer the Report of the Secretary of the Treasury on the deposites to the Committee of Ways and Means—the question being on the amendment submitted by Mr JONES, as an amendment to that previously submitted by Mr McDUFFIE viz. to add to the motion for reference the following instructions to that committee: "Anquire into the expediency of depositing the revenue hereafter collected in the State Banks in the different States where the same is collected, in proportion to their respective capitals said in, and to prescribe the terms on which the same shall be deposited; and to report by bill or otherwise."
