The Grande Terre Island offers immense advantages for ewesy kind of cultivation. The sugar cane grows there to perfection, and acquires a degree of maturity which is no where else met with, and they are not so much exposed, as in edger parts of Louisiana, to the effects of cold weather. The grinding is now progressing, and there is a prospect of upwards of three huntred long-heads, with the very small force above mentioned. It therefore must be expected that, with a larger number of hands, an immense

very small force above mentioned. It therefore must be expected that, with a larger number of bands, an immense crop of sugar or cotton may be made. The site is saidbrious, and suitable for fishing on a large scale.
