We copy from Moore's Philadelphia Price Current, the fol-owing excellent statistical sketch of one of the principal commercial cities of France.

Hordeaux, the opulent and commercial city of France B

Hordeaux, the opulent and commercial city of France Bisitated on the Garonne, about 75 miles from 18 mouth, and contains a population of about 100,000s, its trade is very great; the Garonne is a noble river, with a deptity water sufficient to enable the largest ships to come up to the city-laying open; in conjunction with the Dordogue and their triputary streams, a large extent of country. The commerce of Bordeaux is greatly promoted by the famous cannt of Cangaedoc, which communicates with the Moditerranean; by its means Bordeaux is enabled to farnish the South of France with colomal products at a cheaper rate than Marshilles. Wine, Branders, and fruits, are the staple articles of export, but the merchantscapply themselves more particularly to the wine trade; mostsof that other lusiness is confined to dealing on commission, but the wine trade; they conduct almost invariably on their own account, the reason, they assign for this is that the difficulties attending the purchase, racking, fining, and on their own account, the reason they ussign for this is that the produce. In the course of the debate of the produce of the prosence of the produce of the prosence of the produce of the

and orangies, the new oracema system of weights and mea-sures is of general application in Boideaux, both in whole and and retail operations.

The principal exports from Boideaux to this country are

wines, brandy, almonds, provies, verd guis, cream of tartar and small quantities of manufactorial goods. Of the various classes and kinds of wines sold and export of the various classes and amosal wines sud an experience of from Borddaux, our limits torial us to write. The merchants in general purchase up the fluest Crus, as soon as sufficiently advising to judgesyf their character, or more frequently they are baught up for a sears of years whether good or bad. They are transported to their cellers or charge! PALAIS ROYAL.

An agreeable well-acted thite chidecate, sparking with fun and garety, vasible definition there on Thursday with simplete success, called Le Triolet blea. It derives its said from three young sucleurs, whose adventures form as subject of the presentation of the presentation of the presentation.

Soit masers on arounded. consumers. Mixing is one of the principal features of the process; for nistance they adapt their wines for the English market, by a plent ful dose of the strong, full bodied, and high flavored wines or the Rinor, such as Hermitage, &c. The wikes snapped under the table of Chargan Murgaux, Lafitte. collaborated Crus; an impose of a imposion year are employed to bring up the quarity of one or two had years, so that it is easy to conceive that the famous wines of 1911, 1915, 1819, and 1925, are to top, and exhausted. Some hosse protein to keep their wines pore, but the practice of mixing is at any

rate very general.

The purchase of the wines, whether from the grower or merchant, is always effected through a broker. There are a few of them who have acquired a requisition for accuracy is inder, Allo, Pernon, and once, towards, and some of them, so allowed two or three political obusions, none of them, by the way, very buttained abusions, none of them, by the way, very buttained busions, none of them, by the way, very buttained busions, none of the oditors of the Pragrap very buttained (said to be one of the oditors of the Pragrap very to dispend the parterie expressed the most violent histed, upon which the patterie expressed the most violent indication, and not content with loading the offending the formula of the patterie expressed the most violent indication, and not content with loading the offending the formula of the patterie expressed the most violent indication, and not content with loading the offending the formula of the patterie expressed the most violent indication. third or fourth rate wines.

The Dutcle, who are the larg st consumers of Bordeaux wine, go more economically to work than others; they soull vissels to the river in the wine se good with said if superenrighes, who go among the go iwers; and putching the wines thouselves, chapter even than a broker could do, they live thouselves, chapter even than a broker could do, they live

There is but one hanking company at Lorien at the "Rossideaux Bank;" it evigors perfect confidence, and is of great service to the more inferential service to the more inferential service to the more inferential service to the species diversity profitable to its share-lidies.

Collising produce, species diversities, and minutes, are used by solid at Bortleaux for cash, with three per continuously. Corn, thou, transfer only one solid to the continuously and several other articles are solid to not a cash without discount. Where are generally bought of the cultivators at 12 or 15 months ered, to of per cent discount. When they charge load is among at the merchants, the place the set is to for each allowing 3 or 5 per cent discount. The use of the set is the cash allowing 3 or 5 per cent discount.

The correspondent of the Journal of Commerce at Romnas formshed in his last letter the following descript in it. Michael Angelo's Last Judgment. It is graphic and spir-

water, without even touching, and that her steering was not to the slightest degrice affected.

The question of the altimate success of this undertwiture. The question of the altimate success of this undertwiture. The question of the altimate success of this undertwiture. The question of the altimate success of this undertwiture. On the left, at the lower success of this undertwiture and touch. They are in all solutions in this commanny, and in some ensured a support of his states of receusiation. Some well altimate a successful touch. But in spite of extery obstacle, which has been appropriate soil, that is strong gale of wind, from the south who has been any experience and judgment entitle them to confidence with such as some quarter, which is constantly be many whose experience and judgment entitle them to confidence with such as some quarter, which is constantly be larged, too as we have before remarked that when the water of the Er. St. Marki's shall have been turned into this channel, as some quarter, the dead are trible and the present stage of water. It is confidently be larged, too as we have before remarked that when the water of the Er. St. Marki's shall have been turned into this channel, as some quarter, which is correctly the present stage of water. It is confidently be larged, too as we have before remarked that when the water of the Er. St. Marki's shall have been turned into this channel, as some quarter, which is constantly wind, a pilot can avail himself of the new channel, and principles of the remainders in the distance, but from his same quarter.

In the winding and another consideration is that, with a wear and take to make a comment of the stage of leave, or all states of the picture, the dead are trible and the picture, the dead are trible and stage of recursion. Some will despend the case of the anticological or the content of the stage of leave, or all states of the picture, the stage of recursion bits to many the tends are the many strength the date of the most result is thought to m

solving to the whorvers with flowing sheets, whereas, to come up the fold channel, with the wind from the same quarter, would be utterly impracticable.

To the infimites connection, therefore, which this truly great enterprisesholds with the prosperity of Aplachicold, and the prosperity of the properity of the properity of the commencement of a new error in the commencial history; for, possessing a natural and artificial channel, the facility with which, vaseds may arrive at, and effect from his is a desidentum which few parts in the Union can boast of the facility with which, vaseds may arrive at the properity of the facility with which, vaseds may arrive at the properity of the facility with which the parts in the Union can boast of the facility with which were goods were to that and most interesting work; to Jacob Pathful. The seam is a fact of the properity of the properity

but this instance seemed to be one that carried a forethe moral with it, and excited to a considerable degree the sympathogic feelings.

ORDER NO. 3. at solem tribute of respect one to the memory of the last of the Major Ciencrals of our revolution—to the memy of Lafayette.

This unwavering friend of the rights of man—this gen-

truggle, died on the 20th May last, and reposed under the soil that witnessed his latest efforts for liberty. The Commander in Chief appeals with confidence to the militia of Louisiana, on whom the memory of this patriot and sage has a double claim, to join with him in this sinthe sage has a country of join with him in his en-cere lestimony to his services and his worth. He directs, 1. That on Saturday the 26thinst, a detachment of artil-lery from the Leguen of Louisians, will at day-break fire lery from the Legion of Louisians, will at day-break free twenty-four guns in quick succession, and continue to give one gun each half hour till sunset, and that the some order be observed the second day after the receipt of this at other places in the State, where artillery can be

cured.

2. That the Lagion of Louisiana will act as escorts in the funeral ceremonies ordained by the civil authorities for the 26th inst or the room that the officers of the militia when in unifor were rape on the left arm and on the hilts of the sword for six months after the 26th inst. 4. That, the colors of the different corps be put in nourning for the same space of time.

By order of the Commander in Chief.

once more to gladden the hearts of his advicus and expectant friends.

Perhaps but for the netarious conduct of a band of human fiends, their viction might have, lived happy and respected! Most likely they have competed his ruin, and turned his feet into a path, broad and beaten, that will be competed to far the spectrum of Lafapette. Persons have the first in wretchedness or death.

Let young men reflect before it becomes too late. Let the conditions the property of Lafapette. Thomas C. MAGOFFIN, cashion.

july 24 Let young men reflect before it becomes too late. Let young men reflect before it becomes too late. Let young men reflect before it becomes too late. Let this consideration if no other, weigh effectually on the mind—than if we respect not mirselves, and are reckless of our own welfaic, we have no right to sport with the happiness of those who love us, nor to pierce with anger the phiess of those who love us, nor to pierce with anger the which it is our sacred duty to impart juy and the count on Monday 28th inst.
