POONAH PAINTING.

St. Philippe st. No. 21, between Levee and Conde streets above the store of Mm. Garlepied.

NO Art is so calculated to improve the taste as that of Drawing. No study, therefore, is more beneficial to youth, none more gratifying in the declining period of life.

Many, however, are discouraged in their first attempt, and relinquish the Art as impracticable; but after taking a few lessons in the Poonah style, their ready success will give them an inclination to poetry nature. The effort may be difficult at first but the difficulty will speedily vanish, while the advantages will be solid, and the gratification excessive.

The Paints and Method of applying them are entirely new. In point of softness the painting much resembles a fine engraving in brilliancy and blending of colours, it surpasses all conception of the former style, but the greatest supremacy it posses over the ordinary method is, that a knowledge of it may be acquired in a very short time, even by those who possess no taste in drawing, and no knowledge of the use of the pencil.

Mr. DE LOS RIOS,

Teacher of the new Style of indian japanning, &c in 9 lessons, respectfully request those ladies who are desirous of receiving lessons at their own residence, and who are unable to call at M. de Los Rios rooms, to send their address to his dwelling. ——— There will be six classes each conducted by a different method, which will be arranged thus:

1st Class, drawing, painting, and golden on paper.
