THE UNION ---- HEATER PRESERVED. EDAY MORYING, DEC. 11, 1811

We are also requested to sell a meeting of the Rell Co. mines he the same evening, to take place immediately after

mounty belonging to the outsite of the late James Freret, which will take place this day. It affords a core chance to

One hundred and fifty thousand dollars were yesterday ulacribed for the purpose of erecting a hetel similar to that of John Jacob Amer's in New York. Mr. John Hagan's properly in Carundulet strust has been fixed upon for its locasion. The building it is contemplated will be ready for the reception of visiters before the close of the next year.

seru fit to take exceptions to our translat have secrificed perspiruity in the original, we shall be gratifot. His more ipredict is not considered sufficient.

the Journal of Commerce for making an arithmetical valculation showing "things so they are," in regard to the present math of political parties in this country. The Commerthat the obvious purpose of the Journal is, to It begs its friends not to be deceived, and assume them that Part. there is too much frank pass and veracity in the views ness of the Commercial in regard to them. The Journal shows at once the fully of keeping up the present strife in plitics, when the people have decided by so great a majori approbation of the leading measures of the execuing by which the advancement of the nation, her progress in the arts and sciences, are detrimentally effected. But it notice a new order of things now prevails; the cry is agittpublic excitement-as excitement which produces alionations and hitterness of feeling which caunut but he deploted by every good and honest man.

question in favor of Webster, Clay, Cathoun, ng as follows: "Mere is the positive admission-an admis party—that not one, nor all, of these engar champions of the Republicans—as strong as their elemies can give—to the Democracy

are told they must "surrender prejudices," "sucrifice opinone," "gire up high expectatione,"—in a word, man give up all their predilections for such men as he has named. "We all their predilections for such men as he has named. "We must," he says, "MAKE UP OUR MINDS TO TAKE AN Ressell is deservedly a favorite in a certain line MONEST MAN, FASE FROM LATALGUE AND DU- of characters, as also Mrs. Rowd; but these ladies ar PLACITY."

This is an honest confession on the part of Major Noah, and the rost of the opposition adopting his article, of the produce and justice to herself, never to appear other true reason why they are now obliged to look out for "an honest man," "a sensible, not a great man," as a means of petricting the cause of their party. "Sarasous and purlicu-TY," have destroyed all the hopes of theirg, at men. "We must not, (he tells his friends) think of the condulate we wish" these "who direct the storm (the people) will never allow a great mais to be President."

It is easy to perceive the drift of all this. The coalition mean to select some Democrat as their and if its, whom the people believe to be "an honest man." Some man who, saluced by the high prize of the Presidency, will consent to the coal from whost it from Heav's departs. And the coid from we thout find its way to our hearts. And the coid from we thought the wintriest eventuer to be easily borne—while we bear it together. seduced by the high prize of the presentage, was been been been the proposition; one who like Verplanck will Though the rain's dropping through from the roof to file to their enoughs, and whe, if he can divide the Democracy, And the wind whiteles free where there once was a done; and carry off such a force as will snable him to succeed with the aid of the opposition in defauting the wishes of the great mass of his party, will be as ready to betray the E easily borne—se we bear it tagether. greate itself, as to defeat its great leading principle, by defeating the will of a majority of its supporters.

This is the sort of "honset man" who is to be found for the opposition, to rally their forces on by the 4th of March.

This is "the sensible man" who insto be found for the opposition, to rally their forces on by the 4th of March.

This is "the sensible man" who must not be "a great man," because he must be so week as set to be able to nut nort. because he must be so week as not to be able to surport himself. He must be seen as set to be able to set port himself. He must be one reedy to fell into the arms of, and any hearts be lit up with a beam from the sky.

Oh! I let not our spirits, embittered with pain, duplicity" to their sid, and thus govern the country through Bedeed to the sanshine that comes it us then: "the plans republican," to whem these great mes "may be Heart in heart,—hand in hand—let us welcome the meather accounted."

And, sunshine or storm, we will bear it together. The state of
