NOTICE—The public is informed that the partnership heretofore existing between Ed. L'hote and A. Marfrut was dissolved by mutual consent, on the 10th of June 1835.

Ed. L'hote is alone empowered to settle the accounts of the partnership.

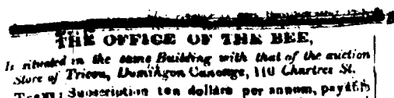
He improves this opportunity to inform the public that he has recently opened in Bay St. Louis, opposite the wharf, an establishment known by the appellation of Bellair Hotel.

The advantageous situation of this Hotel, its proximity to the landing place are too well known to require further explanations.

Madame L'hote justly appreciated by the great care she always took of her boarders, and by the attentions she paid to her visitors in all the public houses she has superintended as lately the Marine Hotel in New Orleans, will take charge of the interior department of the establishment.

Mr. L'hote will endeavour to give satisfaction to persons visiting his hotel when he pledges himself they will find comfort, cleanliness, good fare and attention.

He has engaged a good French cook, transient and permanent boarders admitted, *Table d'Hote* with wine at every meal. july 2 Ed. L'HOTE.



MANDEVILLE HOTEL.

The undersigned informs his friends and the public that on the 25th June, he will be ready to receive in his establishment all persons who may favor him with their visits, and receive Boarders. To persons acquainted with the superb situation of the establishment, a description of it is superfluous, but the subscriber thinks proper to point out to the public its many advantages.

Mandeville is situated at about 20 miles distant from New Orleans on the borders of Lake Pontchartrain. The ground is elevated about 12 or 15 feet above high water mark, and the purity of the air excludes all contagious diseases. There is abundant fishing and plenty of game. All provisions, wines, liquors &c. of the 1st quality, and no trouble will be spared to afford comfort and pleasure to visiters. To that end the subscriber has provided boats, pirogues, fishing seins, horses and a place for pistol shooting. Families may be accommodated with private appartments. Two steam boats plying alternately between New Orleans and Mandeville, and making the trip in 3 1-2 hours will keep up a constant communication. Bathing so necessary in the heat of summer has been provided. A large wharf makes the landing easy and safe.

☞For the time of starting of the boats, see the advertisement of the steamboat Delta.

OPIATA BALSAMICA,
DRL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe and convenient remedy for that species of disease called Gonorrhœa or Gleet. Its reputation has been generally established in South America, and has commanded the written testimonials of the Medical Faculty of that section of the Globe, relative to the speedy and infallible results which have attended its application to all cases of Gonorrhœa.

The OPIATA BALSAMICA is put up in small leaden pots, accompanied with directions, and may be conveniently carried in the pocket, both by persons travelling, and by those who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer prepared for that purpose, a sufficient number of which will be delivered with the medicine. But the greatest advantage which it possesses, is, that it invariably produces a radical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of mercury in its composition.

Before the Agent would offer it to the public in this country, he has had its efficacy tested by several of the most respectable physicians in the city of New York. Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in consequence, generously consented to be referred to as to the truth of this statement.

Price—each pot, one dollar and a half. To be sold by the subscribers, sherriett druggists, sole agents for the remedy, in Louisiana.
