THE BEE.

Daily Morning Paper,

PRINTED BY J. BAYON.

OFFICE:

THURSDAY MORNING, JANUARY 14, 1836.

Appointments by the governor, by and with the advice and consent of the senate.

Jan. 6. Arthur Fortier, justice of the peace in the parish of Orleans; and Giles B. Taylors in Iberville.

Jan. 11. Dr. Lavergne, Percy Verret, Boutheu Roman, Michel Aime, G. Villeré, Victorin Patin, directors of the Consolidated Association of Planters Bank.

Jan. 12. J. B. Blache, A. Fernandez and Thomas B. Harper, auctioneers for New-Orleans.

It has been currently rumored that Robert J Walker esq has been elected U S senator from Mississippi, instead of George Poindexter, resigned nolens volens, or rejected on determination. This will cast the balance in the congress senate equal in point of vote between the two great parties of our republic; and give the casting vote to the president of the senate—i. e. Van Buremite be elected instead of the late Mr Kane.

We are pleased to see that Mr Lawson has resumed his efforts for effecting a state convention, to amend the constitution; and earnestly hope that the subject will be fairly considered on i s own merits without reference to party or sectional feelings, as it is of importance and interest to all.

Could not the city council adopt some project for issuing and vending bonds of the corporation similar to that designed on behalf of the state? The project is feasible and efficient; and would greatly lend to exempt our citizens from taxation—as it would in time afford an ample revenue for all the necessary expenditures of the state and city.

Resolutions have passed the senate of the state of Alabama unanimously—pronouncing the refusal of France to comply with the treaty, to be a breach of national faith—and repudiating her claim to apology from the president, for any thing said in his communications to congress. They also pledge the support of a state to the federal government, in the means, including war if necessary, adopted to preserve from stain our national honor and to secure her just rights.

LOUISIANA LEGISLATURE.

SENATE—January 13.

The journal of the preceding day being read, and the names of the members called, all of whom were present,

Mr Labranche reported as duly enrolled, the resolution requiring the governor to present Col Nicholas his credentials as U S senator.

Mr Moore, agreeably to previous notice presented a bill to incorporate the N Orleans Catholic male orphan association. It authorizes an annual appropriation on the part of the state; and continues the charter for 30 years.

The president appointed Mr Johnson, member of the committee on education, and Mr Cuny, of the committee of enrollments, instead of Colonel Nicholas resigned.

Mr Moore gave notice that he will introduce a bill to amend the acts relating to the harbormaster, wardens and pilots of the port of N Orleans.

Mr Cuny gave notice of a bill to amend the 1st section of the act organizing the Supreme court of the state, etc.

The secretary began to read a petition addressed to the president of the senate, dated from the city prison; and signed by H G Bader—one of those concerned in the riot on the 30th of August last. He complained that he had repeatedly demanded of the mayor, attorney general, judge of the criminal court, and others, that he should be brought to trial; but that his applications were unheeded.

Mr Hoa interrupted the reading of the petition, which he presumed to have been laid under the table.

Mr Johnson explained why he had presented it to the secretary. The day previous he had been met in the street by a stranger, who requested that he should present a given document, being a petition to the senate. He had promised so to do; and now acted in pursuance of that promise. But he was not aware of its nature or contents
