Official Black and City Paper, PRINTED BY J. BAYON. LENGTH ORLBANGS

MONDAY MORNING, JANUARY 18, 1836. The Editor of this paper respectfully annou s.r. as Exitor of this paper respectfully announces to his friends and others in both houses of the legislating that he is again a candidate for state printer; and that should he be elected, he will perform the duties of his station to the utmost of his means.

For several suction and other advertisement see supplement.

It is rumored that accounts have been received in town announcing a decline of three farthings per pound on cotton in the Liverpool market, at latest dates. We have received no confirmation of this rumor, and may isbelieve it, if we credit former advices duly received Rumore were rife yesterday concerning the certain-

ty of a war with Fernce—credited of course by specu-lators and idle quidnuncs. Not one failure occurred in consequence of the lat fire in New York; and most of its victims have son enced to rebuild their stores in a more convenier nd elegant manner.

The western mail is a fortnight in passing to this city rom Louisville; three weeks from Cincimatti an St. Louis; and four from Pittsburg.

Yesterday we received papers from all these place

The nominations of Mr. R. B. Taney as Chief Jutice, and Mr. P. P. Barbour as Associate Judge of the Federal Supreme Court—nor of Mr. Amos Kendall as Postmaster General, has not been acted on, at last ates from Washington-to the 21st instant.

The Texian commissioners have now acquired a loan of 359,000 dollars, on easy terms. To morrow they will depart for Mobile; and thence to Washing

It is stated that though General Cos was permitted tree on his parole that he would not in future take arms against Texas, yet that he is raising men and means as rapidly as he can.
Santa Anna has not yet shown his face near the

Texan frontier: he smells powder. General Housn has prepared to commence the campaign on the lst of March next. We trust we need not more than reco

subscribers carefully to read and digist the able report of the joint committee of both houses of the Vegisla-tion, on the bill for emitting state bonds to the amount of 20 millions, as presented by Colonel Sparks, one of ur most able and eloquent representatives; and pro perly ordered to be printed—in addition to which we?
also choose to publish it in our gazette, that its merits

perly ordered to be printed—in addition to which we also choose to publish it in our gazette, that its merits may be more extensively divulged.

The act is one of a really important nature to the present credit and future revenue of Louisiana; and cannot be lightly esteemed by any of her citizens. It is evident, that by the creation of a sinking fund is Loudon; out of the profits realized by the state, on the sale of her 3 per cent. Bonds of our chartered banks, the capital borrowed will be redeemed read the sale of her 3 per cent. Bonds of our chartered banks, the capital borrowed will be redeemed reading the control of Louisianians—from its being an effort to use ing calculated to exempt them greatly from future taxation. The report shows the nature, necessity and utility of the project.

Here then is a feasible and advantageous mode of pledging the credit of the state, for such real estate the capital borrowed will be redeemed the state of the state, for such real estate the capital borrowed will be redeemed the state of the state, for such real estate that the currency of the country may at no time tows.

That the currency of the country may at no time disturted by the sudden withdrawal of capital. It is evident, that currency of the country may at no time tows.

Dividends for 3 years paid or payable out of Union Bank. Dec 1832 and 1833 Dividend for Aug after paying 5 pe cent on the bonds sold 1834 do for Feb and August do 1835 do for

Nett gain for 3 years remaining in the state \$740,793 \$3, heades a reserve of \$904,810 10

Thus the Union bank after 3 years operation finds itself with an increase of capital of \$740,793 \$1 and \$1 reserve of \$304,810 10. Whilst the state bank during the same period has been paying the stockholders out of the state \$331,150!

Had the foreign capital now in the state bank decay. of the state \$331,100:
Had the foreign capital now in the state bank been raised on 5 per cent, bonds instead of transierrable stock, the difference to the country would have been 8399,160

ns follows: Dividends for 3 years as abovo Deduct interest on \$1,303,700 during the same period at the rate of 5 per cent The gain to the country in 3 years would have been or \$65,201 66 for one year. This sum placed at 6 per cent compound interest would have redeemed the whole amount of \$1,303,700 in a little more than 13 years! 'Applying the same rule to the stocks owned by strangers and foreigners in our banks of the first class as shown above say

And supposing annual dividends of 8 per cent, the amount payable out of the state would be

The same amount say \$12,628,500 borrowed at 5 per cent on the plan of the Consolidated Association would require

631,425

Which would have in favor of our citimens

This difference placed annually & 6 per This difference piaced annually as her cent compound interest, would redeem the whale amount her rowed in a luttle more than 16 years? This difference between the fixed interest of 5 per cant paid to foreign capitalists, and the bank at roots: realized, not being paid until the redemption of the banks, necessarily work as a sinking fund at compound interest and soon redeem the capital.

The second article of the praamble is as follows:

the scale by which the credit of Louisiana will be measured.

4th That out of the banking profits, a fund should be accumulated, to meet from its yearly dividends, all the expenses that may be required, for the purposes of education and internal improvement.

The minimum price fixed ## the per cent being 138 for every \$100 off 5 per cent, and the banks in whose favor the state bends would be issued, binding themselves to pay the dividends on the 3 per cent in London, and to act as commissioners of the sinking fund free of all charges whatever to the state, and paying the interest in London on the 5 per cent, at the rate of \$4561 the dollar; the operation of the sinking fund would he as follows,

9,000,000 of 5 per cents would purchase of 3 per cents at the rate of \$135 Semiannual dividend on the 5 per cent

he rate of \$183 icmiannual dividend on the 5 per cent Semiannual dividend on the

Bal in favor of the state in London \$38,700 for vestment in the finking fund. This semiannual ontion together with the interest on the accumula sinking fund, supposing the investments are mas 80 will redeem the whole of the 3 per cent in a

fair and fashionable auditory of both classes of our population. A children's and dress ball are to follow in the same room.

A grand and splendid ball will be given this evening at the Washington ballroom, for the benefit of Mr Trigant de Beaumont, proprietor.

Those who choose to attend the St Charles theatre this evening will be afforded a rich and rure treat not only in an excellent representation of one of Shakspeare's best tragedies; by a strong cast of the stock company, aided by the very excellent display of Miss Philips; but in the performance of all the original music of Macbeth, by a full orchestra. 'The Witches Glee' is in itself worth going miles to hear; and worth a couple of dollars to witness well performed—which we trust it will be.

Yesterday evening Robert Clayton made his eighth

Mr Hon arcented a report by bill on the memorial front the Union bank. It authorizes said bank to establish four segments wherever necessary, with such powers and the same as may be convenient such a capital of \$50,000, for which the bank is segmented to acquire a four or leans to the amount 2 of millions. But the legislature retains the power of withdrawing this purple, and a such a such as the segment of the legislature retains the power of withdrawing this purple, and a first time.

Mr Hon gave notice of a high to create a prosecuting officer on behalf of the state for the 1st district court. ourt.
Mr Johnson introduced a bill to change the time of

Mr Dapre believed that his act of last session was sufficiently general and effective, to prevent the enactment of this resolution.

Mr Brownson thought it well to enquire further into the expediency of the committee proposed; and therefore moved the reference of the resolution to a select committee. Adopted.

Mr Bessier obtained leave to call up his resolution relative to a left office in Natchitoches.

Mr Morancy wished to add a section to it; but while he was writing it, Mr Brownson moved an adjournmedt to Monday, which was adopted.

CITY COUNCIL. Satting of Seturday, 16th January, 1836.
Present, Mesers Allard, McFarlane, Schmidt, Berry, Baldwin, Caldwell, Gainnie, Pichot, Thomas and Labatut.
In the absence of the recorder Mr Allard Wasualled to the chair.

In the absence of the recorder Mr Aliard was sailed to the chair.

No measage from the mayor.

A patition was read from the inhabitants of Esplanade street, to continue the promenade of Esplanade at to the bayou St John, upon which petition Mr Pichot introduced the following resolution:

Resolved that the mayor is bereby authorized, and that it is his duty to publish for two days in virtue of the 3d section of an act of the legislature, entitled 'An act to regulate the opening, the distribution and the improvement of public streets and public places in New Orleans and in the incorporated and unincorporated faubourgs &c. approved 3d April, 18°E, as application has been made for the opening of Esplanade street to bayou St John, which was adopted.

A letter was read from the city printer, and the reasons given by him for the non-attendance of his reporter were unanimously declared satisfactory.

Mr Gaientic istroduced a resolution that in future timely motice shall be given to the city printer when any extra session is to take place—adopted.

A petition from L M Cohen for gratuitous license as pediar was received.

Mr McFarlanc offered as an amendment that Peter Marin be granted a gratuitous license as cabaret keeper for the year 1836.

This were convosed by Mr. Schmidt on the ground

as peddar was received.

Mr McFarlane offered as an amendment that Peter Martin be granted a gratuitous license us cabaret keeper for the year 1836.

This was opposed by Mr Schmidt on the ground that the evil of dramdrinking was already the great, without giving a license tree to increase the numberless opportunities to drinkers.

Mr Pichot said that the mable to say as a worthy senator has said that be had been 10,000 times denik in his life, yet he did not consider that the withholding of a license would eradicate the vice; if the pressioner paid \$150, he then would have liberty to do as he pleased, and as the experience of all would test, this liberty opened a door to negroes to deprive their masters of their work and their money the does not think one cabarat more would endanger the city finances.

Air McFarlane said that the only reason which induced him to offer this amendment was, because he kin wall artin was otherwise incapable of earning his livelihood.

The question was put, and the resolution as amended ad opted.

Mr Gaisenne moved for a dispensation of the rules, in order to take into consideration the reform of the city police; the public expected it, and as it is a mean-

in order to take into consideration the reform of the city police; the public expected it, and as it is a measure of importance, he thought none could object to it. The report was brought up together with an ordinar.ce and read section by section; the whole of which was aboved.

commended by a citizen in the district which he is been a strictle gives the power to the mayor with the

cap numbered to correspond with the waru in which they may serve.

The 6th article requires an oath for the proper fulfilled in the first of the men and officers; this oath to be taken before the mayor.

The 7th provides for a committee of 14 persons, to be appointed in wach ward by the voters, and they are empowered to select a philes of the meeting for the officers and watchmen, and such committee is to fill all vacancies either in the committee or watchmen.

The 8th article, requires that is record shall be kept; this record to contain the passing of their watch, the hour at which that different public houses are closed, the number of latina that may have gone out and the
