TEMPLE OF THE MAGI,

Fitted up at very considerable expense, at no 140 Chartres st. between Conti and St. Louis st.

RAHAB-BEN-ABEL MARCHAEL, the far famed Chaldean Magi, and his Circassian lady, Zillah the Sybil, being the only two persons who have ever been permitted by the initiated Magi to visit a foreign country, will open every evening thereafter.

The very flattering reception they have met with in the Northern States, having been visited by upwards of 73,000 persons, has induced them to visit New Orleans and to hope to receive a portion of public patronage.

The apparatus and furniture are of a splendid description, and the hall is fitted up to represent the Temple of the Magii at Ispahan. The exhibition consists of the

Magic Feast,

In two parts, being a series of beautiful illusions in mechanical philosophy and natural magic. Illustrative of the miraculous feats performed by the Ancient Magicians, Sorcerers and Indian Brahmins, as originally exhibited at the Court of Ispahan, before his Mightiness Mahmoud Schah, and also before the court of England, to the astonishment and approbation of their nations and suite.

The illusions are of the first order, truly magnificent, instructive and amusing, and of such a nature, that persons of the strictest religious principles can feel no repugnance in witnessing.

Amongst many others the Bramahtical illusion of the

Sybilian Taper.

This deception of the Brahmins has puzzled and bewildered the learned of the old and new world. Also

I do hereby certify that William Adair put two of his Trusses on me the twentieth day of last April, having a rupture in both sides, and one side is entirely healed up the other is not, being of an old standing, and I have no doubt of a perfect cure in time if properly attended to. I further state that I found no inconvenience by wearing said Truss, day or night, but on the contrary a benefit; for I have been more able to work now than for some years past, and attend to work regularly on my farm. The ——— is taken off one side; the other continued with the hope of cure, but as I am sixty-two years old it will take longer than in young persons. I further state that I kept up my bowels in their proper place. Attest GEORGE CROW.
