New-Castle Foundry LOCOMOTIVE ENGINE MANUFACTORY. GRORATED BY THE STATE OF DELIAWARE, WITH A CAPITAL OF 200,000 dollars.

CAPITAL OF

200,000 dellars.

The Subscriber has the pleasure to announce that
he is ready to receive and execute in the shortest
and best manner, and at the most reasonable rates, all
Orders connected with the business of the establishment. Particular attention will be paid to the manufacture of LOCOMOTIVE ENGINES, which will
be warranted in every respect equal to any others, whether imperted or made in this country.

The works consist of Machine Shops, upon a large
cale, and extensive Foundries for finishing Castings
of every description both in Iron and Brass. They
are situated in the south-western section of the town
of New-Castle, directly upon the New-Castle and
of New-Castle, directly upon the New-Castle and
frenchmown Rail Road, which forms a part of the
thoroughfare from North to South, and upon the beld
waters of the Delaware River. This last circumstance
gives great advantages over most similar establishinepts as man-factured stricles may be shipped from
this port to any acction of the country, even during
the severities of an ordinary winter seaso. Its position on the Rail Road, also, renders it easy of access,
from every quarter, to these who may wish to visit
the Factories. It is the determination of the subscriber
to furnish ne article but of the very best materials and
workmanship.

Twelfth Legislature-Second Session. JOURNAL OF THE SENATE.

Tursony, 8th March 1836.
The Senate met agreebly to adjournment.

Membera pressor: Messes Charles Derbigny; president, Bossier, Brownson, Casy, Dupre, Hos, Johnson, Labauve, Labrasche, Lacoste, Landry, Moore, Morangy and Red.

Mr Moore after leave obtained, introduced without travers, and reads.

Mr Moore after leave obtained, introduced without previous notice, a bill entitled; "An act for the relief of Stephen Masureau, Attorney-General." Read for the list time, roles dispensed with, reas for the 2d and 3d times, passed, and taken to the House.

Mr Lebrasche on the part of the committee of enrolment, reported as duly enrolled, the bill entitled; "An act supplementary to the several acts relative to the apublic school lands of New Orleans." Whitege, on the secretary teok sail bill to the house for the separature of the speaker.

Mr Leadry agreeably to previous notice introduced a bill entitled; "An act to settle certain doubts relative to an act entitled an act to amend the provisions of the Black Cederelative to the trial of Slaves," Read for the list time.

Cede relative to the trial of Slaves," Read for the 1st time.

On motion of Mr Johnson, the senate took into consideration a bill entitled "An act to authorize the excenters of James Green of Adams county, and to remove the ademistration of that pertion of said testary estates sineared in the part hot Concordin to Adams county Missi-seppi. Rules dispensed with, read for the 21 and 3d times, passed, and taken to the house. On motion of Mr Hos, the senate took into consideration the buil entitled "an act relitive to notaries in the partial f Orienal." Read for the 2d time.

Mr Bassier on part of the committee, appointed to examine the apparatus of Littletin Ayers, presented the following report:

To the Hesorable the Senate and House of Repro-

The joint committee appaired to examine the apparatus of Littleton Ayers, for filtrating and clarifying water and other times.

arise soils committee appearate to eighthest the opparaties of Littleton Ayers, for fitrating and elaritying
water and other fiquids, and which is now in operation
at the corner of Magazine and Gravier in New Orleans,
bug seave to submit the following report:
Your committee repaired to the spot and examined
the apparatus with attenuon, and consider it to be their
duty to recentmend the machine to the cirraens of the
state as heing very useful; its simplicity renders it
beautiful and durable; and it could not, to much,
draw the attenuon of your committee, who recommend
it to the use of every family. Its price is very low for
it can be obtained for the small sum of \$20; and parisusiarly in this state, it will, in the purification of water,
toniribute greatly to the diminst ton of diseases resulting from the lead water used by a great part of the
citizens of this state, and which contains heterogenious particles necessarily contributing to the injury of
the health of those who make use of such water.

On motion of Mr Brownson, the senate took up the
built from the house entitled "an act to incorporate the
subtricibers to the Attakapas and Oselousas Marine
and Fire Lisurance Company." Read for the first
time.

. Brading of Messages from the House. READING OF MESSAGES FROM THE HOUSE.

Rejection by the house of the report of the committee of conference in favour of an additional compensation to the translators of the serie!

"On motion of Mr Brownson, the Senate desisted from its amendment relative to said translators, and the house was informed thereof.

"An act to amend an act to incorporate the town of Marchiteches." and unctions of the police pery of the parish o Plaquemine; and,
"An act prividing for the appropriation of the sum
therein mentioned for the purpose of improving the
cut-off of the island on the eastern point of the parish
of forwille."

Mr Moraney presented a resolution respiring the
board of public works not to remove from Bushing
Bayou the hands under the controll of the board heretie-ore strained there, unit the next annual fail of the
Mississippi." Read for the lattine.

SPECIAL ORDER OF THE DAY.

Resolved, That the president of the board of public works for the state of Louisians, cause to be made and furnish so this fibruse forthwith, a detailed account of the expendiances made by said board; which was a dopted.

wither any charge of commission.

EDWARD A. G. YOUNG,
Baperintendest.

New-Castle, Del. October 10th 1852.

OULD CANDLES-429 cuses, good brands are some of the most important interests of the states in the Union.

Bell of Mexico to the Atlantic occan, by the shortest, spect convenient and as less troute, well agreally provide some of the most important interests of the states in the Union.

MARCH 14, 1836.

Resolved. That the Legislature of this state will co-operate with the Legislature of East Florida, in any plan which may hereafter be by each of them deemed prasticable for the accomplishment of this great obset.
Resolved, That the Governor of the state of Louis-

ject.
Resolved, That the Governor of the state of Louisiana be requested to submit to the Legislature of this state at their next session, some plan which he may deem fit for the suprose, and to address the same request to the governor of East Florida, to the governor of such other of the states as may be most immediately interested in this proposal, and to the President of the United States, soliciting their co-operation writing their proper sphere of action in the premises. Which resolutions were read for a first time, and ordered for a 2d reading on tomorrow.

Mr Haule offered the following resolution:
Resolved, That as the session of this house is now drawing to a close; that as business of a general and of a local nature has been a good deal avoided by the occupation of the time of the house in the discussion and passage of banking institutions; that having a regard to the trae and permanent interests of the state of Louisiana; this house will not, the balance of the session, take up any banking bill or bills, notwithstanding all bonus, appropriations to rail reads, or other benefits actual or imaginary, accruing therefrom.

As motion having been made to lay the same on the table, Mr Lowis called for the yeas and mays, when it appeared.
