$200 REWARD—Will be given for the apprehension of Samuel P Townsend He is about 25 or 27 years of age, 5 ft 7 or 8 inches high, stout made, thick short neck and rather square shoulders, straight red hair and whiskers, had on a blue coat and dark pantaloons, a low broad brimmed black hat, which he wears drawn over his eyes.

Said Townsend held a contract under the subscribers, contractors of the New Orleans Draining Company, he had received within a few days under his contract $1000, which ought to have been paid over by him to his labourers yesterday morning, but which he has defrauded them of, by absconding. He was in company with a man by the name of E E Butler. Said Butler was about 5 ft 9 or 10 inches in height 24 or 25 y'rs of age, slunday built, dark hair and eyes, and dresses in black cloths.

The above reward will be given for the apprehension and delivery in New Orleans, of the above named S P Townsend

HARPER & MERRICK.

Since the absconding of Townsend, it has been said that he was from Newark, New Jersey, and was in partnership with Butler who there held the contract and that there they robbed their workmen in the same way.

To prevent recurrence of similar frauds the Editors of newspapers established in the neighborhood of public works are invited to give this advertisement an insertion, the doing so may protect the laboring classes from being robbed of the fruits of their hard earnings. This also is proper to give publicity to the fact that there are modern contractors, who employ their labourers at a higher rate for their services, than they themselves receive under their contracts Labourers before engaging should make enquiry into this subject.

As an illustration, Avery, the contractor on the Woodville and Bayou Sara Rail road, contracted at the rate of about 15 cents the cubic yard, and promised his sub contractors 40 cents; the consequence was inevitable, as soon as he was in possession of a sufficient sum, he absconded without paying them.
