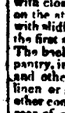
VALUABLE DWELLING HOUSES AND WAREHOUSES IN THE FIRST MUNICIPALITY.

WILL be sold, at the *Merchants Exchange* in Royal street, on Monday the 5th December, at SEVEN O'CLOCK IN THE EVENING, without reserve, the following

VALUABLE DESCRIBED DWELLING HOUSES AND STORES:

1st. That elegant 3 story Dwelling House and Store, situated in Bienville street, between Chartres and Royal streets, erected a few years since by Thomas Toby, Esq. which house is replete with every convenience for a large family and is in the best possible order. The dwelling part of the house is in the occupancy of James Carroll, Esq. under a lease expiring 31st October, 1838, at the annual rent of $1200—he obliging himself to keep it in perfect order at his own expense. The basement or store is in the occupancy of E. Sinnet, Esq. at the rent of $50 per month.

☞ The whole building occupying a lot measuring 25 feet front on Bienville street, by 127 feet 10 inches 4 lines in depth. It is in contemplation to open and extend Exchange alley from Bienville to Custom house street, which when accomplished, will give the above lot a front of 127 feet 10 inches 4 lines on said alley, thereby adding greatly to its value and rendering it highly desirable, and doubly valuable for the erection of public offices, being in the immediate vicinity of the Merchant's Exchange, the Post office, most of the Banking Institutions, the new Exchange, now erecting in St Louis street, the Chamber of Commerce, the various Insurance and Brokers offices, and where the heaviest money transactions daily take place. In fact no position is more central, and but few enjoy equal advantages.



2d. Those Three modern and elegant Dwelling Houses, situated at the East of Conti street, now in the occupancy of James B. Walton, James Hopkins and Wm Henderson, Esqrs. These houses were built about two years since, under the immediate inspection of the proprietor. The timber and flooring is composed almost wholly of red cypress, cut in the swamp of Mr Pandelly's plantation, and the brick work was done in the most substantial manner. The accommodations of each, consist of an Entrance Hall, Parlour and Dining Room and closet on the basement story; three chambers on the second floor and three chambers on the attic—all finished in the most modern style, with sliding doors and marble mantles and grates in the first and second floors, and grates in the attics. The back buildings of each are divided into a large pantry, ironing or pastry room, kitchen, store room and other conveniences on the ground floor, and a linen or glass closet, with three servant rooms and other conveniences on the second floor—and in the rear of each house will be found a Carriage House, Stabling, Hay Loft, &c. An excellent well with a pump and a cistern containing about 2560 gallons of water, which, together with the banquettes in front, are flagged with the best Yorkshire flagging.

These Houses are under lease to their several occupants until the 31st October next, at the annual rent of $1400.

3d. The Warehouses in the rear of the foregoing described property, together with the use of the yard and alley in common, with the aforesaid Houses and the Houses on Rampart street. For a more full explanation of which reference may be had to the plan which will be exhibited at the Merchant's Exchange in a few days The warehouses are in the occupancy of Messrs Henderson & Gaines at the rent of $50 per month.

As the object of the proprietor in selling is to facilitate the improvement of other property, he pledges himself that the sale shall be effected without any under bidding whatever, reserving the right of stopping the sale, after the first Lot shall be adjudicated, if the price should not prove satisfactory.

Terms—1 and 2 years for notes drawn and endorsed to the satisfaction of the vender, with 8 ⅌⅌ per annum discount added to each note secured by mortgage on the property.

N. B. The acts of sale before Felix Grima, Esqr. Notary Public, at the cost of the purchaser. nov 14
