displayed in the performance of two extremely difficult pieces, one on the piano and the other on the harp, a family by association, but history and variety of which, and the fact that the two pieces were composed by her own hands, were the cause of her success. Her husband, who was a young man, had the pleasure of listening to some of the most beautiful music ever heard, and she was the cause of her success. Her husband, who was a young man, had the pleasure of listening to some of the most beautiful music ever heard, and she was the cause of her success.
