NEW MERCURY NOR COPAVIA.

New Orleans, Nov 14, 1837.

ABOUT six months ago I had the misfortune to get a secret disease, for which I have applied to several doctors for a cure, and they did not cure me, so now on the above date I put myself under the care of Dr. Hurt, and I expect him to cure me. Since that time the disease got worse, so as to break out in large ulcers, of the number of six or eight on each leg, and all over my face, and sore throat, and not able to work at the present time on account of the disease; large ulcer on the right side of the throat. I am now putting myself confidentially under the care of Dr. Hurt, of Paris, hoping to be perfectly cured.

A BEAUTIFUL HEAD OF HAIR is considered one of the most striking features of female beauty. How strangely the same thing changes its appearance and pretensions by its possession in the opposite sex. Long, wavy locks in women are considered as beautiful and graceful, and sometimes even add to the beauty of the face; and sneers of their opponents are the more wonderful, that every consequence apparently tells the universal truth, that youth without hair is like a tree without leaves. BARRY'S CELEBRATED HAIR TONIC OR REGENERATOR, from the first application, has the astonishing effect of restoring the hair to its original colour, and in the course of a few weeks, it becomes thick, glossy, and curling, and makes a beautiful appearance, whether worn long or short. Numerous testimonials of its virtues can be shown to the proprietor.

☞ Read the following:

ROBERT WHARTON, the Mayor of Philadelphia, has every reason to believe both in the efficacy and character of the following gentleman:

The undersigned do hereby certify that we have used the Rev. Mr. Dolbear's Restorative, and find it to be a very useful article, and recommend it to the public as a preventative against the hair falling off, and for promoting its growth, and for keeping it in a healthy state, and for the above purposes we believe it to be a valuable article.
