ABOUT six months ago I had the misfortune to get a secret disease, for which I have applied to several doctors for a cure, and they did not cure me, so now on the above date I put myself under the care of Dr. Hoss, and I expect him to cure me. Since that time the disease got worse, so as to break out in large ulcers, to the number of six or eight on each leg, and all over my face, and sore throat, and not able to work at the present time on account of the disease; large ulcer on the right side of the throat. I am now taking myself confidently under the care of Dr. Hoss, of Paris, hoping to be perfectly cured.
