**NEW-ORLEANS BEE.** BY & BAYON,

amount for which he could have provided if he had hosen to do as and which the collector has taken care to accertain. When bonds are sent to the disnet attorney for coffection, duplicate receipts are ta on for them, and that ends the collector's connection with them, until the money is returned by the district

principles, for there is no doubt that a large portion of the abuse which has been a showered upon him has been caused by the freedom of his animadversions upon the fosperice of Europe, and the boldness with which, on all occasions and in all societies, he upheld and defended the peculiar institutions of his own country against the impertinence and announce of faceign critics. Will any one ascribe the averrility which has been poured upon his devoted head by the Losson Guarterly Review and Blackwood's Magazine to any other sources, than their detestation of his American politics, and their resentment of his American politics, always distinguished for their ribaldry against this country, have tee much influence, unfortunately, in forming and fixing public opinion in literary mathematics in the United States, and hence too many American form Philadelphia to Baltimore and two

miniming work.

"COUNTRY STORIES." Miss MARY RUSstone of the author of the work before
to the many girled females of the present
age, who, having cultivated their intellects for their
won gratification, have devoted their matured powers
to the amusement and instruction of their fellow creamines. Miss M has been more successful than any of
the similar comparation with the been recomparate which have governed this art, analytic them
the history of the treature, and with truly power
to the amusement and instruction of their fellow creamines. Miss M has been more successful than any of
their female cotemporaries who have insured more works
of fetion—if we may be allowed, from a very limited
acquisitance with that species of fiterature, to express
on opinion. We remember the delight with which
we remused these is autitud at rice, "One Fillage"
"Biffied Regic" and while poin, and when we say that these
produces on all readers of taste—they are
