cthe 29th ult., that a party of surveyors between Georgia 7; Ohio P.; Louissana 4; Florida S; Michigan v. or and Sequin, attracted by the reports of firebans. 7; Alabama 2; Mississippi 3. or and Sequin, attracted by the reports of firehums, cared to their Camp and found four of their com-

can from Bexar, badly wounded, told them that they had been attacked by a party of Mexicans and Indi-cess, who were returning from Matamoras with arms administration for the hostile Indiana. and anomation for the hostile Indians.
The intelligence was inmediately conveyed to Bex and Col. Burleson with 200 men started in pursuit.
Cipt. Andrews with a party of rangers, happening to be in that neighborhood, discovered the trail of the Mexicans and also went into pursuit. At the Colorada Capt. Andrews house became too fatigued to pro-

and when Liout Jas. O. Rice, continued the pursuit with 17 med, and came up with the Mexican and In-dian party about 15 miles from Austin. Finding the hostile party to consist of only thirty. he unfaciliately attacked them and put them to the cont. Three Mexicans were killed—their leader, Man

od Flores, being one of them. All their haggage was aptured, consisting, in part, of three hundred pounds of powder, a large quantity of lead, and one hundred and fourteen horses and mules. A great many pager-fell into the hands of the Texian, including an exten-sive correspondence between the Mexican common-ders at Matamoras and the chiefs of the hoodic triber. These letters were addressed to the chiefs of it Caldess, Kickapoos, Cherokers, and one of the chief-of the Seminoles. They assure the Indians of the as-sections of Mexico in an attack upon Texas, and prothen that country in the event of success. Many of these letters were addressed to tribes of Indians r ding in the territory of the United States

saling in the territory of the United States. The homorable James Wezn, late secretary of state, has resigned that office, and has been appointed attornors general, in the place of John C. Wattons, respined. The homorable David G. Burnett, vice president. don't of the republic, will act as secretary of state, un-tile permanent appointment is made.

The demand for goods by the Mexican traders at

New York, May 27, 1831. On the 20th inst. the United States frigate Consti-tion, having on board Mr. Ellis, our minister to expensive sailed for Vera Cruz. As many American or the have large claims upon that government or wrongs committed upon them, and an apperhension law beretofore been entertained, lest these claims chould ultimately lead to collision. I have suppose

ic present aspect of our affairs with that coto concluded at Washington by Mr. Martinet, on or part of Mexico, and Mr. For 19th, on the part of the United States. That treaty was not ratified by Mexico. But a satisfactory explanation why it was out 10fed, has been given to the president. Early in prof a new treaty was negotiated at Washington an end by Mr. Martinez and Mr. Forsyth.

I sin warranted at believe) in saying, that all ra-tion. Difficulties between the two countries are ar-ranged, or ma promising way to be arranged. It only remains then, to adjust the private claims of our cit-

de convene in December next,) two commissions will be appointed by the government of Mexico, as Nathington, and procedl to examine and decide up W shington, and procedl to examine and decale upon all claims presented to them, for aggressions committed previous to the signing of the treaty. It forther pro-seives that their sittings shall close within sighten months after their first meeting. That upon their award being presented to the government of Mexico that government shall forthwith issue its bonds, psya-ble to the several claimants for the amount of their re-resences claims, bearing an intersal of citoh pre-cent the to the several classical and interest of cityft per cent, per annum. These bonds are to be receivable at the custombouses in the republic of Mexico, in payment of duties, but the Mexican government has the right makes a large assential is presented at any one curtombouse to decline receiving more than one half such

TO A LADY. The night breeze steals across the lake.

And curls among the greenwood bowers.

As soft, as though it feared to break. The slumbers of the dreaming flowers

So, lady, may my gentle sung Glide o'er the couch of thy repose, And whisper as it steals along, The tale thy heart stready knows. If spirits, pure as those who kneel

Around the throne of tight above, The power of heauty's spell-could feel, And lose a heaven for woman's love-What marvel, that a heart like mine, Enraptured by thy charms should be. Forget to bend at learning's shrine,
And lose itself—ay heaves—for thee?

THE DIORAMAS.

Trite DIORAMAS.

Fretdons to closing this admired establishment the Belle of New Orleans makes her debut, this evening, it appears she has enjoined strict secrecy as to be more; the public most therefore judge for themselves she will supear encircled in a moving glosy, composed of coloried fires, if post more beautiful than hereself. As other new astrictions are to be added, and the exhibition is on the joint of closing, we prefit a full house. Ladies that a sull in the presuming beauty in the shale, and gentlemen show your gallatity by visiting the shire of beauty. Reinembers the Belle holds for level at the Celeans Ball Room.

The packet ship Louis Philippe, at New York, which arrived on the evening of the 25th ult. brings Paris dates to the 1st, and Havre to the 2d inclusion The intelligence will be found interesting. The dif-ficulties in the formation of a new ministry are no

ding qualities of America : there had been a slight ful ing off in prices. The money market is represented as light, and some embarrassment was apprehended from the unwiking asso of the banks to furnish the re-

By the packet ship Louis Philippe, captairt Contail rerived last evening, in the short passage of 24 days from Havre, we have received Paris dates to the nat.—Lossdon to the 20th tite—and Havre to the 25 nat.—Lossdon to

tron Havre, we have received rarm dates to are in inst.—Lossolon to the 28th 'ule—and Havre to the 2st inst.

The most important into fligence is the prolongation of the mintaterial crisis—although there are strong resons to believe that a Soult ministry will succeed for the present. Stocks in consequence have risen in Pars. In London, the presenter in the money market continues—exchequer hits have declined. The Havre cotton market is very dul—but no apparent change. PABLE, May 1.—The attempt of M. Passy to form a calinet of the leading members of the Centre Ganehe has failed.

The "Constitutionel" says that a ministry had positively be formed of the following persons, and that their naises would positively be published in the Moniteur" the 2d May:

Soult, Minister of War.

Duchatef, Funners.

Gasparin, Interior.

Conin Grinzing, Commerce.

Naizet, Pulic Instruction.

The "Commerce" shoulds that two marithlers of the Centre Gaeche have consended to serve in this conditionation.

The recommerce shoulds that two marithlers of the Centre Gaeche have consended to serve in this conditionation.

The new ministry, it is said, intend to bring in six billion questions of industry and commerce.

The Moniteur of May 1st is siten on the subject of

The National of May lat says, "we have more!

time of Count Mode." The behavior as the experience of the count Mode." The Debats throws with a threat, "that when the crisis shall be over, and a new ministry in possession of the trights of government, it will dreading no lot, the trights of government, it will dreading no lot, the trights of government, it will dreading examination of the candidat held during these negotiations by the different series and their chiefe."

The Counter Francis, in reply to some observations in Saturday is Debate, maintains that a minist y taken present wishes and wants of the great majority of the lesked upon only as one of the name of the present wishes and wants of the great majority of the lesked upon only as one of the name of the present wishes the counter of the present majority of the lesked upon only as one of the name of the present majority of the lesked upon only as one of the name of the present majority of the name of means the present majority of the present majority of the lesked upon only as one of the name of the present majority of the present majority of the present majority of the present majority of the lesked upon only as one of the name of majority of the present which we have the present majority of the present which are the present majority of the present which we have the present majority of the
