The characteristics and qualifications of Mr. Ed. monds are well-known to the president. Among others, be possesses in a pre-main in degree, those which are requisite for a sub-treasurer. Of this fact, he has are requisite for a sub-treasurer. Of this fact, he had green practical proof within the kinswhelige of Mirvan Buren. It is not the sinswinton at present, to enter into details, in relation to the money drawn from the treasury of the United States by him, and not on paid over to the rightful owner; nor to the attachment in another case, ordered against him by the supremocourt. It is sufficient for me to repeat, that the previous terms of the control of the sufficient for me to repeat, that the previous treasurer, and appreciates him accordingly. It is possible he was reflected by the self-adject democracy, as the suggestion of Mr. Van Buren. But which he was, or was nock, the choice was apprepriate because it required the sudacity of a practical sub-treasurer to prate of the advantages of such a system, in a city where absorbingly.
