ARRIVAL OF THE COLUMBIA

SIXTEEN DAYS LATER FROM EUROPE

Since our last publication, the mail has brought the news by the steam packet Columbia, which arrived at Boston on the 21st ult., after a boisterous and eventful voyage.

Politically the news is unimportant. The commercial news is regarded as favorable.

ENGLAND

The proceedings in parliament were of minor interest. Legislation on the coast law has been postponed.

Lord Morley has advised the President of the United States and made the tour of the principal cities.

The Britannia which left Boston on the 10th Sept., arrived in Liverpool on the 10th Oct. after a rough passage.

Alfred Pate, once a poor and friendless lad from the banks of the Tweed, has been elected Lord Mayor of London.
