Washington, Jan. 3, 1813.

In Senate—To-day after the presentation of memorials which were numerous on the subject of the Bankrupt Law, several private and focal bills, received from the House last week, and then advanced, were taken up and read a third time and passed—Several resolutions were offered and laid over for further consideration. The orders of the day brought up Mr. Lion's bills for the uccupation and settlement of the Oregon Territory, for further consideration, as in Committee of the Whole, the question pending being on Mr. Arther's motion to strike out the presemble which asserts our title to the territory and that we will maintain it. This was debated for an hour
