DR BLANCHARD, ex-Dentist to their Majesties the King and Queen of the French, Surgeon Dentist of the Faculty of Paris and that of New-Orleans, has the honor to inform persons suffering from bad Teeth, that by the application of a plugging material of his own invention he repairs the ravages of time, and restores suffering features, restoring them to their usefulness and primitive beauty. They are rendered incorruptible in consistence, and often last during the period of natural life. No metallic substance enters into the composition of the plugging material, and it incorporates with the natural material hitherto employed. Its properties are such that any one may in a few minutes hermetically plug any one of his own teeth. The material, sold at first, sold in the course of an hour, and in three hours, becomes in a few days as hard as the tooth itself, which, when plugged, lasts a long time, and can be employed as chewing as well as any of the sound teeth. The operation causes no pain and is over in a few minutes.
Dr Blanchard will undertake the plugging of teeth, or if required, the material may be purchased from him, as it is intended for the sufferer himself. This offers a great advantage for persons residing in the country.
He calls attention to his newly invented and perfect system without any alloy, more applicable and perfect in many respects than all (platinum) for plugging the teeth.
A new flexible metal (platinum) for plugging the teeth.
DENTAL SURGERY.
Monthly attention is paid to every thing concerning the sanitary condition of the mouth and its appendages, plugging, extraction, &c.
For children—arrangement of the teeth when they are disturbed in their course or escaping from the alveolar sac at the period of second dentition.
Artificial teeth inserted from a single tooth to an entire set. These teeth are a perfect imitation of the natural ones, whose place they supply, assisting mastication and pronunciation.
Apply at his office, corner St. Louis and Bourbon streets, every day from 9 a.m. to 4 p.m.—Sundays excepted. dec12
