WILLIAM W. THOMPSON'S PATENT IMPROVED *LEADEN PIPES.*

THE manufacturer, residing in St. Louis, Missouri, invites the attention to the excellence and the lasting properties of his pipes, and hereby proclaims, (for which he has the exclusive right to the entire district of country west and south-west of the Allegheny Mountains) of a better quality, than any pipes heretofore offered to the public.

The present pipes is remarkable for its uniformity of thickness, the accuracy of the bore, the perfect finish of the interior surface, the perfect roundness of form, the very long length without joint, for its unusual strength.—Three advantages will be evident to any body upon examination.

Besides his usual sizes from one-eighth to 6-in inch in bore, he manufactures also, for the use of farmers and others, very light pipes, for conducting water from spring of long distance under slight pressure or head of water, and for other purposes

BILLIARD CUSHIONS—NEW PATTERN.

M. ANTOURINI, Leather Maker and Manufacturer of Billiard Tables—No. 202 Bowery.

OFFERS to the public a new style of stuffing billiard cushions. This method, which he has ever invented, possesses the advantage of preventing the balls from bounding, and of a safety that cannot be overcome. It is fully guaranteed by Mr. Antourini, who only possesses patents, after he experimentally has been convinced of his success, and has given the utmost satisfaction.

Persons from the country, desirous of having the cushions of their tables stuffed and repaired, have only to address to the above address.

Tables will be received and returned to them at Harrison's Billiard Saloon, Broadway, between St. Philip & Orleans.
