MEMORANDA.

Steamship Cincinnati reports that on Friday the 31 inst., at 8 A. M., she saw the ship Georgiana, Poole, from Liverpool, under jury rig, on the east end of Trinidad or Island—went to her assistance—got her afloat and towed her off. The Georgiana sailed from Liverpool for this port on the 26th August. Saturday, 10 miles to the Westward of this S W Pass, spoke ship Hecate, Staub, from Liverpool, for this port. Same time, saw a large ship to the Southward, standing for land. At anchor outside the S W Bar, brig Emerald, bound to Washington.

Steamer Meridian left St. Louis on the 26th inst. passed steamer Herald the West, aground at Tywappity Bar.

Ship Sarah Sands reports—On the 29th Sept., in lat. 23, long. 76, left in the wreck of a vessel, full of water, she looked like a low deck full rigged brig—her foremast was gone, the mainmast broke off about 4 feet from the deck, bowsprit broke off close up to the bow; had taken under her lee sail—saw 8 Lands in white letters on her stern, which appeared to be the end of her name—the name must have been painted previously, as the letters stopped at every timber but the middle one—supposed her to have been in that situation for some time.

Steamer Arkansas left Fort of Arkansas on the 21st inst. reports the Arkansas never low, but team face nearly rain-ning in banks for days.
