MAYORALTY OF NEW ORLEANS.

COUNCIL OF MUNICIPALITY No. 1.
Sitting of 30th October, 1843.

WHEREAS, there is a large amount of property forfeited to this Municipality, by persons failing to pay the interest in conformity with a sale made by the corporation, in the year 1840, as per acts passed before Michel De Armas, notary public, by which the purchasers of said property bound themselves to pay an interest of six per centum upon the amount of capital: and whereas, by the conditions of said sale, said purchasers or owners of any of said property, failing to pay two consecutive terms of said interest, shall, in such case, by a simple order of court, become dispossessed of all their rights in and to said property; and shall also be liable for all back interest that may be due: and whereas, a great portion of said property has been found in the hands of the original purchasers and owners:

The Finance Committee would recommend that a reasonable time should be granted to all purchasers and owners who have thus forfeited their property to the Municipality; in consequence of said forfeiture, the said and also the capital; they therefore submit the following resolutions:

Resolved, That thirty days be granted to all purchasers and owners of property sold on Esplanade square bounded by Conti, Dauphine, Bienville and Burgundy streets, and on the square bounded by Conti, Dauphine, Dumaine and Bourbon streets, and on the lot of November next, and on the same day the will commence to sell the property forfeited to this Municipality on the square bounded by Conti, Bourbon, Dumaine and Dauphine streets, and at the Institution of J F Buffet, 85 Hospital street.
