COMMERCIAL

NEW ORLEANS, TUESDAY, JULY 9, 1844.

During the past three days great changes have occurred

in every part of the market, affecting

the prices of all commodities.

The market for sugar is very active, and

the prices are generally higher than they were

some days since.

The market for coffee is also very active, and

the prices are generally higher than they were

some days since.

The market for rice is also very active, and

the prices are generally higher than they were

some days since.

The market for indigo is also very active, and

the prices are generally higher than they were

some days since.

The market for cotton is also very active, and

the prices are generally higher than they were

some days since.

The market for wool is also very active, and

the prices are generally higher than they were

some days since.
